### CLASS OF 2014

We spend a considerable amount of time at this stage of the year constructing classes for the following year. **Students** are placed by staff in class groupings best suited to their learning needs. Many factors are taken into account to create classes that are balanced – academic, social and behavioural factors, along with teachers' knowledge of students. The students themselves are asked to nominate students with whom they work well - while this is a factor, we make it clear to all students that they will not necessarily be given their choices of work partners or friends.

As usual the class structure for 2014 will be Prep, Junior School (Year 1/2), Middle School (Year 3/4) and Senior School (Year 5/6). A copy of our Class Formation Policy is in the notices section of our website. As per this policy, if you have information of social or educational significance that you wish to be taken into consideration by teachers as class lists are prepared, please provide that information in writing to me as soon as possible. I encourage you to read the policy and contact me if you have any queries. Please note that requests for specific teachers will not be considered. Classes are structured around the needs of ALL students. Teachers are then matched to classes, taking into account a range of factors. Teachers also move from one area to another as part of their professional development and because we have different number of classes at each level each year. It is therefore not possible/practical/fair to include in to this mix the demands/requests of parents for specific teachers.

### MIDDLE SCHOOL CAMP

This is a very exciting time for many of our students as they prepare to head off on what for some will be their very first camp. The Middle School teachers have prepared a busy itinerary that complements work done at school in both curriculum and personal development. We look forward to news and pictures – keep an eye on our Facebook page for “live” updates.

### iPAD 1-to-1 PROGRAM

All Year 4 and 5 parents are reminded about our information session on Tuesday 22 November in the Senior School. This session is to inform you about some of the details of the 1-to-1 program beginning in 2014.

### SPEECHES

On Tuesday night two of our Year 6 students presented speeches at the annual Rotary Club Primary School Speech competition. Mitch and Eli were excellent representatives of the school.
NAPLAN
Parents of Year 3 and 5 students will today receive their NAPLAN reports. The information from NAPLAN is useful, but as always, is just a snapshot of a particular day through a particular test. There are many other forms of assessment we rely on with our students, which support our curriculum planning. These reports have been delayed for some reason – it is quite odd that the tests were done back in May, and it has taken 5 months to receive them!! This is not helpful for anyone involved. Warranwood NAPLAN results were, as usual, outstanding.

Assistant Principal Report

Welcome back
A warm welcome back to all students and their families. Term 4 will be jam packed with events as it always is. We have already had Eli and Mitch from the Senior School participating in a public speaking competition, division athletics is on today, Middle School camp is on next week followed by the Senior School production of ‘The Lion King’. In the coming weeks make sure you note the events dates carefully in your diary to keep up. I know everyone is looking forward to the Spring Fair on the 27th and our parent group is working very hard to ensure a successful day. I know we have more market stalls than ever so many different people in the community will be interested to come along. Get the word out there!

Parenting
One of our school council members sent me an email about a parenting website – Modern Parenting. Google it and I suggest you subscribe. On the front page of the current newsletter is a piece regarding cyber literacy and lots of information on a range of topics relevant to the world. Have a look at www.themodernparent.net

Today 11 students competed in the Division Athletics Sports. Warranwood was represented in 16 events as some students were in multiple events. At the time of writing the results are not known but I trust everyone did their personal best.

Good luck to Brenton T and Liam B as they will represent our school in the first stage of the SSV golf championship next Monday.
Music Results
Congratulation to Thomas G who recently sat his Preliminary keyboard exam receiving Honours. Well done Thomas.

School Banking Update: Redeem your tokens for a moneybox this year!
In 2014 the School Banking program will be launching a new set of exciting reward items for students to redeem their tokens. Each reward item will continue to be valued at 10 tokens (i.e. 10 deposits) and there will be two new reward items for students to choose from each term. With exciting new reward items on offer in 2014, please be aware that the Dollarmites moneyboxes will no longer be available next year. To avoid any child missing out on claiming their moneybox, please let your children know of this change and encourage them to redeem their moneybox this school year.
In an effort to ensure your child doesn’t miss out, the rule of one money box per year has been removed. If your child is trying to collect the series of Dollarmite moneyboxes, they are encouraged to do so before the end of the school year. Please understand that they still need to redeem each moneybox for the required 10 tokens.
