Principal Report

STUDENT WELFARE OFFICER
Thank you to those parents who completed the survey in regards to Mia’s program. It was very pleasing that all respons-
eses and comments were positive about the program. Mia has included in this newsletter an outline of the program she has
been running in Junior School.

WHO’S IN CHARGE?
I had a very heartening conversation with 2 year 6 parents yesterday. They had taken their children to have a look at the
local secondary schools and making a final decision about which school they would choose. The input from the girls was
important but the final decision was of course the parents’! This is good parenting – respecting the views of their children
but acting as the adults and making the decisions. As part of growing up children need boundaries, and need to know that
their opinions are valued, but they also need to know that adults make decisions. As parents we gradually let go of control
– for example, the first day of school often hurts, but it is so important to allow children to be independent. As children get
older they should be given over more control, but it is guided by the wisdom of parents.

COLOURING COMPETITION
Don’t forget to return completed entries to the office by Wednesday 20 March. The winners (from Prep – 2, Middle School
and Senior School) will be announced and presented with their prizes at the assembly on Monday 25 March.

SPRING FAIR
It’s coming! Bigger and better than ever. Logo competition coming soon. And more………..
END OF TERM & HEAT#2
Once again congratulations go to our students for surviving and thriving in the heat over the last couple of weeks. We are all looking forward to the cooler nights and pleasant autumn days! Term 1 finishes on Thursday 28 March (last week I said it finished 28 April – wrong!) at 2:30pm with our final assembly at about 2:15pm, when we will draw the Easter Raffle prizes. One of my orange tickets is very likely to win!

A QUESTION OF HEALTH
This week Gay has a set of tricky first aid questions. Can you get 6/6? Check the front page of our website!

Assistant Principal Report
Planning Week
Next week is planning week where each level team works together on our units of work for term 2 and students enjoy their specialist programs across the day. This day is invaluable for staff to implement meaningful units developing the skills and concepts to be taught next term appropriate to the level. The days are as follows:
18/3 Monday - Middle School
19/3 Tuesday - Prep
20/3 Wednesday - Specialists
21/3 Thursday - Senior School
22/3 Friday - Junior School
If you have any queries please see your classroom teacher or me.

Professional Learning
On Tuesday this week we had the first of our days with Michael Ymer, maths consultant, working in classrooms with staff. Over the four days each level will have a day with Michael working in different classes modelling and demonstrating a range of effective teaching strategies. These days not only affirm our good practice but provide staff with time to reflect on practice relevant to their classes and builds shared experience for teams to work from. He focused on how to cover many skills and aspects of personal development within a lesson in the Middle, Junior and Senior schools. The students loved it. We look forward to seeing Michael on Wednesday next week where he will work with Preps, Middle and Junior school classes.

Sue
From the Office
Scholastic Books
Series 1 orders are ready at the office for collection.
Trish and Pauline

SRC News
It’s bandanna time again! We are supporting Canteen (teenagers with cancer) for the next two weeks and the students are able to purchase a bandanna from their classroom or the office for $4 each. Please donate to this worthy cause.
Thank you
Anita Saliba & Vicky Papadakis
Junior SRC Coordinators

Sports News
Summer Interschool Sport - BYE FOR 15TH MARCH

Eastern Region Swimming
Our swimming stars swam brilliantly again last Friday at the Regional swimming event. Carly, Brooke, Kelly and Ashleigh won the medley relay. Ashleigh, Brooke, Stephanie and Carly won the 12 year old freestyle relay. Ashleigh was beaten by 0.01 sec in the individual freestyle and came second and Carly was third in the butterfly. Kelly finished 4th in the back stroke.

The relay teams and Ashleigh will compete in the State Championship on the 27th of March.

Rod - Sport Coordinator
Welcome to another big year of challenge, excitement and opportunity! The HAWK program this year will be facilitated on Wednesdays and Fridays with a whole range of extension and enrichment opportunities for students of Warranwood in the planning.

What is HAWK?
HAWK is a unique program at Warranwood to assist classroom programs to cater for the extension and enrichment of capable and talented students in a range of curriculum areas. Staff from across the school pool their talents and passions to develop and provide these learning opportunities for Warranwood students.

Each term specific programs are held to support and extend students learning in a wide range of subject areas. Some previous programs include Environmental Science, ICT, Drama, Poetry, Story Writing, Mathematics, Philosophy, Music and Debating to name a few.

To start 2013 we have Year 5 Peer Mediation training which develops our students' talents in interpersonal relationships and problem solving. We also have an artistic focus with Jan Earl leading our Senior School students in constructing pole puppets for our production of The Lion King later in the year. Later in the term there will be a narrative story writing and comic strip program for Years 3-6 and Maths Olympiad will begin with our top mathematicians participating in strategy development and problem solving.

We are looking forward to an exciting year!

Shane Harrop

---

**PARENTS ASSOCIATION REPORT**

The next Parents Association meeting will be held on Monday the 18th of March in the staff room at 2.15pm.

The Parents Association is all about raising money for our school, which in turn is providing better facilities for our children. For example the money that we raise goes go to the purchase of more iPads, or updating computers, or buying educational material, resulting in a better education and making our school a better environment for our children. Hence we would love more support from mums and dads.

So if you have been thinking of joining - now is the perfect time! Shona and I have just taken over as coordinators and we have some great new ideas, but we do need your help in facilitating them.

If you have any questions or cannot make it to next Monday’s meeting, but would like to help out please just contact myself or Shona, we would love to hear from you.

**A FEW REMINDERS:**

- Don’t forget the Roller Skating Party on Friday 22nd March from 6.30p.m to 8.30p.m. This will be a fantastic night for all children from prep to grade 6. There will be some amazing prizes for the kids and also a raffle where first prize is a birthday party for 10 kids at the roller skating venue valued at $169.00. Please send in your forms and money to the office by Friday. Raffle tickets are available in the office for the Roller Skating Party to purchase.
- Also, last week the Easter Egg Raffle tickets went out to all families. This raffle raises over a thousand dollars every year; we would love your support again. It is greatly appreciated - thank you!
- Finally, don’t forget to return your Hot Cross Bun order. This is definitely a yummy fund raiser.

Georgie & Shona
**Uniforms**

There are still some items out of stock till the beginning of next term. Year 6 Hoodie and House tops will be in next term as well.

**Thank you**

**Jill**

---

**Canteen News**

**WEDNESDAYS** - A reminder that canteen is closed for lunch orders on Wednesdays. Over the counter sales of drinks, icy-poles and snack items will be available between 1pm and 1.30pm during Term 1.

**HOT CROSS BUN DAY** - Warranwood Primary School canteen will hold its annual Hot Cross Bun Day on Tuesday March 26th. Students are being offered the opportunity to order a Hot Cross Bun for morning recess. Buns will be served warm and buttered. Order forms for this day need to be returned to school by Friday March 22nd.

*I will need some additional help between 9am and 11am on this day. If you are able to assist please contact me during canteen hours or on one of the numbers listed below. Thank you.*

**PLEASE NOTE**:- Canteen’s Hot Cross Bun Day is for the enjoyment of the students and is a separate event from the fundraiser the Parents Association is holding. Canteen is **NOT** offering take home packets of buns.

Roster for Term 2 are in the process of being prepared and will be distributed next week.

**ROSTER FOR THE NEXT 3 WEEKS**

Before School / After School Care Program

Week 7 – Term 1 2013

Program Update

Our theme this week has been Costumes and Masks. We have been busy playing dress ups and designing our own costumes! We have also been talking about famous costumes and masks which were the children’s favourite characters. Jacob was our star in tennis this week and the Preps enjoyed their first lesson now they are here on Wednesday.

Next week’s theme is recreational vehicles!

Please book in or cancel your child so we know they are coming and can organise the right number of staff.

BOOK AND CANCEL ON LINE TO AVOID EXTRA FEE

If it’s within 24hrs ring the program direct 0411 656 031. Please book children before 9am on the day attending to guarantee a place.

Next week’s goal is: Try something new!

Parent Information

WARRANWOOD OSHCLUB program phone: 0411-656-031

Coordinator: Jill Hansen

Assistants: Robyn Hansen, Hannah Cantwell, Lisa Fell, and Stephanie Parsons.

All families must be enrolled to attend the program, remember enrolment is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.
Dear Parents,

I have been working in the Junior School on ‘What is a thought’. Each class will have three sessions with me.

Lesson 1

Thoughts have power! Power for everything, we can’t do anything without having a thought. Thoughts have power because we can use our imagination and we can change our thoughts.

Thoughts come first then feelings. We can’t have a feeling without a thought. Feelings are normal and healthy. It is okay to be angry sometimes or sad sometimes, but if we are angry or sad a lot of the time we need to change our thoughts.

Ask your child about the Brain Bottle!

Lesson 2

Thoughts come first, then the feelings, THEN the behaviour/or action. They are linked together and the behaviour cannot be changed unless we have a completely different thought first.

Students were asked to be the child in the picture below wanting to line up for an ice cream but there are children pushing and shoving. Students were asked to think about what they would do in this situation. Examples were given to help them remember the Thought – Feeling - Behaviour process.

Some students said they would change their thought next time to achieve a better outcome for themselves.

**This is important to reinforce that sometimes we just go with the first thought that comes to our mind without STOPPING to think about what the consequences might be. This is okay as long as we can learn from this experience and make a better choice next time**!

Lesson 3

Thought- Feeling – Behaviour/Action. Students were asked to do another exercise similar to Week 2 and lining up for ice cream, except this time the scenario was they were told they are doing a Test!

Students were asked what Thought then Feeling and possible Action they might have in this scenario. Students were told to think about the possible outcomes before they chose this time.

Students reflected on how helpful or unhelpful were their thoughts?

Just because we have a thought does not mean it’s real or we have to believe it! Our thoughts are so powerful they can play tricks on us...like thinking there is a monster under the bed! But now that we know we make up our thoughts we can make the monster into a something else...like a cute puppy!

Best regards

Mia
**PREP TO GRADE 6 ROLLER SKATING PARTY**

**WARRANWOOD PRIMARY SCHOOL**
**FRIDAY 22nd MARCH.**
**6.30 - 8.30PM**

**Cost per child includes:**
Skate Hire or Blade Hire

This seminar is for parents, teachers, principals, integration aides, professionals/service providers, university students studying in the field and other family members who want to know more.

At least two strategies per presenter and lots of ideas!

Our team of presenter's are passionate about having specialists, parents and schools working as a team. Come along to one of the very few seminars currently on offer that brings five leaders together, of around a fifth of the cost of what it would normally be if you were to see all of them!
