Principal's Report

TRANSITION
We had our first Prep transition last week, with most of our 60 new preps happily joining in lots of activities and meeting their new classmates and teachers. We also conduct a number of transition sessions for our current students, culminating in the whole school transition day on Tuesday 10 December. These sessions allow students, particularly in the years that are moving between levels of the school, to familiarise themselves with different organisational aspects of their new level. Last week our current Preps spent the transition time with the 1/2 classes.

TOURNAMENT OF THE MINDS
Yesterday we conducted a HAWK program where a number of teams made up of students in years 3-6 were given a challenge (remotely bursting a balloon with a candle!) where they had to come up with a design brief, conduct tests and then compete with the other teams to find the best solution. It involved great thinking and collaboration!

iPAD PROGRAM
Would all year 4 and 5 parents please return the iPad intentions form for 2014. This is available on the school website if you have misplaced it! For those people considering the Network Neighbourhood option the pricing schedule has been updated to reflect the new range of iPads.

CLASS OF 2014 #1
We had our first Prep transition session this afternoon. Great to see those new faces! Next year we will return to 3 Prep classes. Don’t forget our whole school transition session on the afternoon of Tuesday 10 December, when all students will find out their class, room and teacher for 2014.

CLASS OF 2014
We know of a couple of families who are leaving the school, as well as some new families arriving. If you are moving or leaving and haven’t let us know can you please do so ASAP to enable us to plan effectively for 2014.

SCHOOL UNIFORM
The new uniform will be available from November 25 November from PSW at 18-20 Railway Avenue Ringwood East. Orders can be placed from this coming Monday, as sizing is consistent across all schools. All orders placed before 20 December will receive a 5% discount. Price list and shop information is included in this newsletter. Please remember that as of 2014, either the new or old school uniform can be worn, however a combination of both will not be acceptable.

UNIVERSITY of NSW
SPELLING ENGLISH AND MATHEMATICS TESTING RESULTS
The results have finally arrived and we would like to announce that all certificates and information from the tests will be made available to families this week or at assembly on Monday 18th November. If your child has both the information sheet and a participation certificate given to them in class then there will be no presentation at assembly.

If however your child only receives an information sheet then please feel welcome to come along to see the credit, distinction and high distinction certificates presented at assembly and get a happy snap.

Regards
Shane Harrop

Prep ICT HAWK program
This talented group of Prep students took part in a recent HAWK program called ‘Capture the Colour’. The students developed their photography skills and learnt how to; take a photo, focus a photo, zoom in/out of a photo, crop a photo, view a photo, delete a photo and add text to a photo. They did an excellent job and took some terrific photos in and around our school!

Say g’day to your school crossing supervisor

Thursday 28 November

As part of VicHealth’s Walk to School 2013, we are encouraging our students to walk to and from school every day this month.

To celebrate their efforts, we are joining Maroondah City Council to coordinate a special event on the morning of Thursday 28 November to encourage our students to say ‘g’day’ to their school crossing supervisors.

It’s a fun and engaging way to give our students the chance to greet their local school crossing supervisors, and to apply good street safety practices.

Win prizes

As part of the event, there will also be a chance for the students to win some great prizes!

All school crossing supervisors will have golden tickets that they will hand out to students who have ridden or walked to school on 28 November, and have said ‘g’day’ to them.

To enter the prize draw, students will need to write their name and class on the golden ticket and then place them in the specially marked box at the school office. Winners will be announced at our assembly on Monday, 2 December. Walk to School is a VicHealth initiative.

For more information on Council’s ‘Say g’day to your school crossing supervisor’ campaign, please call Council’s Transport and Sustainability Planner, Michael Blowfield on 9298 4452 or email michael.blowfield@maroondah.vic.gov.au

Uniform Shop

New logo bags have arrive for tPrep 2014 students at the uniform shop and are available for sale now. I still have hats and dresses that have not changed available.

Also a reminder that all old uniform is available at the BARGAIN PRICE OF 50% OFF! and can be worn for the next two years.

Thanks Jill
Hello everyone, our Twilight Market is only 2 weeks away and we are very excited, there are going to be over 40 stalls for you to start doing some of your Christmas shopping with a delicious BBQ, wine and beer and lots of fun for the kids. Please see flyer below. We do however need a little help with the BBQ, if anyone could lend an hour to help out on the night it would be greatly appreciated. IContact Andrea Moran on 0409 424 436.

I will also be sending out the flyer for the Christmas School Disco on Friday the 13th of December in a few weeks, so keep an eye out for that.

Upcoming events:

Friday 29th November – Twilight Market
5th, 6th & 9th December – Book fair
Friday 13th December – Christmas Family Disco

Before School / After School Care Program
Week 2 Term 4 (14th to 18th October 2013)

Program Update
Just over the halfway mark in the term and we are steam rolling towards Christmas. In the OSHClub room we have plenty of reasons to celebrate and this week we remembered those who went to war and have been enjoying the challenges we can set for ourselves. Next week is all about being active and looking after ourselves and each other with yummy cupcakes, dancing challenges and our popular badminton and cricket sessions.

OSHCLUB are calling for any old mobile phones: if you have any broken, old or unwanted mobile phones please put them in our collection box at the front door. This is in aid of the Melbourne Zoo's campaign “They’re calling on you” to help save gorillas in the wild.

Master pool shark Jackson helping out others with the rules of pool.

Our recently acquired full set of pool balls has been very popular this week.

Would you like to host a Japanese assistant teacher in 2014?

Nami will be our new assistant teacher in 2014. She will arrive in April and stay at Warranwood for 6 months. We are looking for interested host families now, so please read about Nami and contact me if you are interested. Tanya Barlow

Meet Nami-

I am 29 years old. I am a cheerful person who gets on well with others. I am always calm and focused. I deal well with responsibility and have a strong desire to experience and study a wide variety of new things. I have been working as a school nurse at a primary school in Japan for seven years. I am looking forward to sharing different ideas about culture and education through this exchange. I hope to use my experience to introduce Japanese schools and student life to children in Australia. I am also excited to share many aspects of traditional Japanese culture and I am also keen to help with sports in the school since I majored in sports science at university. I especially enjoy tennis, badminton and volleyball, so if there is an opportunity to help your school in this area, I will be very pleased.
We missed you last month and we would love to see you this month.
