### Principal Report

#### UNWELLNESS

We are beset by illness at the moment, with lots of staff being absent as well as many students. If your child is sick, or obviously “coming down with something” keep them home. It is not fair on adults or other students at the school to have sick and snotty children spreading their germs around!!

#### CURRICULUM DAY

We had a successful curriculum day on Monday. We spent the morning working on characteristics of high-performing teams, with the aim of increasing our ability to work together for ourselves and for our students. We also spent some time looking more closely at the AusVELS curriculum. We realise that we are well ahead of most schools in planning for the new curriculum.

#### CANBERRA CAMP

Much excitement in the Senior School as we build up to next week’s Canberra Camp. Lots of work has been done around the levels of government, with our students showing good understandings of the role of government in our society. The week in Canberra is huge and tiring for students, teachers and parents, but is always a great event.

Warranwood Preps 100 Days of School
On Friday 2nd August, we celebrated 100 days of school. The day began with the preps having breakfast and then cleaning and washing their own dishes. After recess we made 100 Day hats and decorated cup cakes in preparation for our afternoon tea party. After sharing a lunch of fish, nuggets and chips we watched a DVD and had a disco. As part of our camping program the preps stayed at school after hours and we had our 100 Days of School party, enjoying the cup cakes decorated earlier on in the day. We finished off our fantastic day with a performance by ‘Elf Sneaky Bottom’. The students had a wonderful day and there were some very weary little people leaving school at 5:45 pm that night. A great day was had by all. Thank you to our fantastic reps for all their help. Congratulations Preps!

Kurburoo Kinder Experience
Last Tuesday the student leaders went to Kurburoo Kinder for a second visit. We worked with Nimmi’s group, ‘The Possums’. Each of us made a board game or story book to play or read to the kinder children, which they all enjoyed a lot! Every leader had a small group of one or two kinder children that we worked with. In these groups we got the chance to see the kinder children’s skills, we helped them make patterns with stickers, make their names out of play dough, draw their favourite animals and they even tried some counting patterns. It was great to see the children playing and working together, I’m sure they all enjoyed seeing us especially because most of them will be attending Warranwood Primary School next year. Overall it was a fantastic experience for both the leaders and the kinder children! We are all really looking forward to visiting the kinder kids again next week for our final visit. Parents Association Report
Election Day has finally been set and it’s Saturday 7th of September, so we can finally go ahead and organise our Sausage Sizzle.

We are in the process of making sure that this fundraiser will be a huge success. For this, we will need some help from mums and dads. If you could give an hour of your time we would greatly appreciate it. I have left a flyer with times in the office, so if you could add your name to whatever time best suits you that would be fantastic. Everyone who helps out on this day will go into the draw to win a $200 voucher for dinner at Zagames in Boronia. Your support is greatly appreciated.

Father’s Day is just around the corner, we have organised our Father’s Day Stall for Wednesday 28th August at 9am in room 1. There will be a variety of wonderful treasures for children to choose for their Dads, Grandads and/or special person, ranging from $1 to $5. Please see attached flyer.

Just a reminder for the upcoming events for the Parents Association calendar for term 3 and term 4:

Wednesday 28 August  
Father’s Day Stall
Friday 30th August

**Toy Story Photos**
A DVD of photos from our recent 3/4 Production “Toy Story” is available for $5.00 each (all proceeds going to the school). The photos were taken backstage, during rehearsal and during both shows 1 & 2.

To order please complete your details below and return to the school office with payment in an envelope by Friday 30th August. Discs will be sent home approximately two weeks later.

Thank you—Andrea Moran & Nicole Stokes

** Win the Fight Against Nits**

Step 1. Treat
Treatments are designed to suffocate and effectively kill the louse and nymphs. The treatment should cover the entire scalp and all of hair and be massaged into the scalp for five minutes to ensure the treatment cream or foam penetrates the head lice and then you’ll need to comb.

Step 2. Comb
Combing is the most important step in the fight against nits as there is no other way to remove the head lice and eggs from the scalp. Eggs that are left in the hair will hatch in 7 – 10 days and breed a new generation of head lice. A nit comb should be used and the hair should be separated into small sections (approx.4cm) to ensure thorough combing.

Step 3. Defend
Proactive steps should be followed to defend children against head lice. Be vigilant and check for head lice regularly – once a week is ideal. Tie long hair into a bun or plait and discourage sharing of hats, hair bands and brushes. Look at incorporating a daily defense spray to ward of head lice.
