Assistant Principal’s Report
End of Year
Congratulations to all our students on a fine year of achievements in wide ranging areas. There is a lot of talk about ‘value adding’ but our essence is to improve student outcomes and all our students have improved over the year and should be proud of their efforts. Thank you to parents and families for your support of our students.

Special congratulations must go to our wonderful graduating students of year 6 2013. I was very disappointed to be ill this week and miss our graduation night. The night is an occasion that gives us all an opportunity to reflect and celebrate the year.

I wish everyone a Merry Christmas and a safe and Happy New Year. Thank you to all families for their support this year and I look forward to seeing everyone at the end of January.

LIBRARY

Dear Parents and Students,
There are still many library books that have not been returned this year. If books are found at home, over the holidays, please drop them into school either to the office or library in 2014.

I wish everyone a happy and healthy holiday.

Kim Barlow
Parents Association

On behalf of the Parents Association I would like to thank all families for all your support and contributions that you have made to the many fund raisers that we have had throughout the year. I know our children have loved the many events such as the roller skating and when the Easter Bunny came with Easter eggs for all children, the Christmas disco and also we parents have had lots of fun especially at the Trivia Night. We have raised in excess of $23,500 which is a fantastic result. So a really big thank you to everyone.
