GASTRO

As you will be well aware we have had many students suffering from the effects of a gastro outbreak. Quite a few students were ill at the Middle School camp. This outbreak has also affected many local schools and aged care facilities. The Health Department advice is as follows:

“General infection control measures for all outbreaks.

For all gastroenteritis outbreaks, the following infection control measures must be implemented as soon as possible to reduce the risk of spreading the illness:

• Ill children should be isolated if onset of illness occurs while at the centre, and parents should be contacted immediately and requested to take the child home as soon as possible.

• All ill children are required to remain at home until 48 hours after symptoms have ceased.”

The critical aspect of this is that students who are infectious, or who been ill, must be kept home. By everyone supporting each other and maintaining appropriate infection control we will get through this with less impact on our community.

MIDDLE SCHOOL CAMP

Once again a very successful camp was organised by our staff for the students of Middle School. This camp is often the first camp, and sometimes the first time away from home, for some of our students, so it can be quite challenging. This challenge was added to by the relatively small number of student who became ill while at camp. While some have focussed on this, you just need to look at the camp photos (later in this newsletter and on Facebook) to see what a great time was had! The commitment of teachers, parents and pre-service teachers who give up work to support our school, is quite extraordinary, especially considering how little sleep they got! They all arrived back tired but with their collective sense of humour intact! So a huge thank you goes to each of these adults for ensuring that all students were cared for and had a great time! They don’t get enough appreciation for that job, so please recognise that if you get a chance!

ATHLETICS SPORTS

Next Tuesday we look like having much better weather! Please come along and support all our students and their endeavours!

WORKING BEE

Thank you to the families who helped out last Sunday. It was a big mulch day, so the frog bog area got a work over, and we also topped up the softfall under the playground adjacent to the staff carpark! We will be having another working bee on Saturday 3 September (yes, a Saturday! Hopefully to get some new blood!!) to do more work. The major focus on this day will be to dig out the area near the BBQ in readiness for asphalting!

THIS WEEK’S PRINCIPAL AWARD RECIPIENTS

ASSISTANT PRINCIPAL’S REPORT
MEETING THE NEEDS OF ALL LEARNERS

On Tuesday afternoon the majority of teaching staff from Warranwood took advantage of an opportunity to attend a professional development evening with Karen Starkiss, an expert from SPELD, who presents in the field of learning difficulties and dyslexia. It is imperative for our teachers to further develop and update their understandings and strategies for teaching all Warranwood students. The average classroom includes up to 16% of students who have formal learning disabilities ranging from dyslexia, dyspraxia, auditory processing issues, autism, and many other challenges. It was very heartening to see the commitment and enthusiasm at the session of our staff to attend as a group to ensure we are best positioned to meet our students’ needs. The team approach to planning and supporting students learning needs is vital in ensuring everyone reaches their potential.

The Victorian Institute Of Teaching requires all teachers maintain their registration by participating in 20 hours of Professional Learning a year. I’m very proud to say that all Warranwood staff are well over that quota as they endeavour to be as professional as possible to ensure best practice for your children’s learning success. Learning and teaching practices change and develop over time and we as professionals must be proactive in adopting research based best practice. Would you go to a dentist who was still practicing with 1970’s techniques? I know I’d be out the door quick flash! And that's not only because of the bill!

MIDDLE SCHOOL LADY NORTHOCOTE CAMP

At the crack of dawn on Tuesday I journeyed up to join our Middle School campers at The Lady Northcote Camp in Glenmore. Arriving at 9.30 am I pulled into the driveway to see two groups of students fully engaged in initiative games and a low ropes course. I joined the group doing low ropes and I was immediately impressed by the dedication and commitment the students were showing to the tasks and their partners. There was an extraordinary level of application, encouragement and support to challenge themselves and complete the ropes course without falling off. The initiative games required great communication and leadership skills to solve a range of challenges. The highlight being the balancing see saw where the groups had to balance everyone on the plank to have equal weight on either side. Full credit to the group for the persistence they demonstrated to get a solution and complete the task by working as a real team!

It was funny to hear all the students’ different versions of the stormy night before I arrived. The cabins were haunted, there were wombats on the roof and one boy even stated he thought there were kids on the roof knick knocking! I assured him that in fact the night was very windy and the trees were most likely just rubbing against the tin roof! Nowhere as dramatic or entertaining I know but important to settle the score before the rumours grew wings and the old Chinese whispers took hold!

Stories of plentiful and amazing pancakes covered in maple syrup for breakfast and home made apple and cinnamon muffins that were enjoyed for afternoon tea were shared by the kids. Reports filled with excitement about prizes from the talent show in which Rory and Willy amused the crowd and then Daisy amazed with her great singing made it clear the students were having a ball!

I then had a chance to head to the GIANT SWING with a group before lunch and was able to watch every single student journey to the top of a 22m swing and then pull their own pin to free fall (harnessed of course). The courage and resilience of our 9-10 yr olds to overcome their fears was simply awesome! Luckily for me the lunch bell rang and prevented me from embarrassing myself on the swing!!!

I then heard about a couple of students who had been unwell as happens from time to time at camp especially when bugs can fester away for a few days and then strike after taking advantage of a tired body. Of course living in such close confines can exacerbate the effect of the bug and then the old domino effect takes hold and tired little ones cave in. It was a shame that such a tremendous time was finished with a few students falling sick but it is important to realise that we have had many here at school go home sick this week too and even teachers!

I’m sure the children will have many terrific and positive memories of great personal achievements and resilience whilst on camp and will have loved their time away. These adventures and challenges will all play a part of building their resilience and coping skills and better equip them for their next challenge.
GARDEN CLUB NEWS
Our second garden club is Thursday August 25th from 9-1. If you can't make the whole time, you are welcome to come for the time you can spare. Our main focus will be weeding and tidying up the area near the 1/2 playground and 5/6 building.

Please bring gloves and tools such as weeders, secateurs etc. We'll provide cuppas and refreshments. Parents, Grandparents and friends are welcome.

Market Day
Date: Wednesday 24th August 2016
Time: 11:30 am - 1:30 pm
Place: Courtyard

WACKY WEDNESDAY IS FAST APPROACHING!!!!!!

Each year level is running a special stall:
PREP - LOLLIES Could Prep parents please send along bags of lollies to be sorted and regrouped for selling.
JUNIOR SCHOOL - LUCKY JARS. Students to please bring plastic jars filled with a mixture of goodies. eg a collection of plastic dinosaurs, different hair ties, pencils and erasers or bouncy balls
MIDDLE SCHOOL PRELOVED TOYS, BOOK AND GAMES Students to please bring in clean toys (in excellent condition), books and games to sell.
SENIOR STUDENTS RUN STALLS
If you are able to assist could you please contact your child's class teacher. We need parents to help organise lolly bags, sort, price, set up and sell items on the day. Stalls will need to be set up ready for 11.30am start and packed up by 1.00pm. Megan in the canteen needs a total of 6 parent helpers. (We already have 2 helpers) Could you please contact Vicky or Anne if you can and help with the lunch orders ASAP. A special Wacky Wednesday lunch order has already been sent home and should have been returned yesterday.

Money raised will go to refurbishing our library.
Thank you all for your time and effort, we really appreciate it.

Premier’s Reading Challenge

If your child is enrolled in the Premier’s Reading Challenge, please make sure that you are entering the books read into the Challenge website. This is not done by the school. I ratify the books after you have entered them. It is important to make sure that your child has read enough books from the Challenge List to qualify. This information is on your log in page. It is pleasing that so many students are taking part. Keep reading!

Middle School Wellbeing Program 2016

This year in the Middle School I am extending our knowledge of Mindfulness, Empathy/Kindness and Gratitude as part of The Resilience Project.

Session 3 – Empathy/Kindness
Key messages; Students were asked to think outside of family and close friends for acts of kindness. It is easy to show kindness to those close to us, it is showing kindness to everyone and anyone that changes the world. No act of kindness is ever wasted. Each act of kindness goes out like a ripple into the whole world. You, the person receiving the kindness and the whole world benefits from a single act of kindness.

Session 4 – Gratitude
Key messages; What do you really need? We looked at a Child’s Hierarchy of needs (Basic needs) from Physiological – Safety – Connection – Self-esteem to Fulfilment. We have so much to be Grateful for. Gratitude can never run out. We need to say at least 3 things (5 is better) EVERY single day for the rest of our lives that we are grateful for to stay Happy. What makes us miserable is when we think that getting ‘stuff’ will make us happy. “IF I get that smiggle pencil case….THEN I will be happy”.

Daily Mantras - “I am so Lucky” and “I have everything I need”.

Program Update

Congratulations to Charlie for being this week’s OSHClubber of the week 😊
This week the Grade 3/4s have been on camp and here at OSHClub we have had a very quiet time. The children have enjoyed watching the Olympics on TV and supporting their country. We have also brought out the Wii and had some competitions between us as well as playing Table Tennis and Foosball.

As we are once again getting high numbers in Before School and After School Care, could you please make sure that you are booking your child/ren in online or calling before 9am to book? This will allow us to staff accordingly. Thank you 😊

Cyril Rioli from the Hawthorn Football Club is encouraging junior footballers to donate their old boots and/or runners to assist the boys and girls playing footy back in the community on Tiwi Island. The majority of youngsters on the Tiwi play in bare feet and all donations will help support these kids playing the game they love.

If any Warranwood Primary students have boots that they will not require next season, we’d kindly ask that you donate in a ‘collection box’ located outside the office.

For further information please contact Cam Matthews on 0419 134 181 or camm@hawthornfc.com.au

GOING BOOTS & ALL FOR THE KIDS OF TIWI

Why not DONATE your old footy boots at the end of this season for the kids in Tiwi Islands who would love to own them!

Please DONATE any old cleaned footy boots by the end of August to the School/Club Office.
