PRINCIPAL REPORT

CLASS OF 2017
In term 4 we spend considerable time constructing classes for 2017. Students are placed by staff in class groupings best suited to their learning needs. Many factors are taken into account to create classes that are balanced – academic, social and behavioural factors, along with teachers’ knowledge of students. The students themselves are asked to nominate students with whom they work well - while this is a factor, we make it clear to all students that they will not necessarily be given their choices of work partners. This process is not about placing children with their friends. Or, as we heard last year, of parents banding together and telling their kids who to put down!

The class structure for 2017 will again be Prep (Foundation), Junior School (Year 1/2), Middle School (Year 3/4) and Senior School (Year 5/6). A copy of our Class Formation Policy is in the notices section of our website. As per this policy, if you have information of social or educational significance that you wish to be taken into consideration by teachers as class lists are prepared, please provide that information in writing to Steve as principal (not class teachers) as soon as possible. While taken into consideration, we can of course not guarantee that your request will be met. I encourage you to read the policy and contact me if you have any queries. Please note that requests for specific teachers will not be considered. Classes are structured around the needs of ALL students. Teachers are then matched to classes, taking into account a range of factors. Teachers also move from one area to another as part of their professional development and because we have different number of classes at each level each year. It is therefore not possible/practical/fair to include in to this mix the demands/requests of parents for specific teachers.

ASSISTANT PRINCIPAL REPORT

JAPAN TOUR
Our tourists are already busy exploring the sights and culture of Japan, especially Mito City. If you’d like to see what they are up to each day please follow their journey on http://Japan2016wwps.blogspot.com.au/ You will need a gmail account to access this blog, but it will be worth following.
TERM FEES and EXCURSIONS
With multiple excursions happening early in the term we ask that parents please ensure payments are made and permissions given on compass by this Friday at latest to ensure students are able to attend. Teachers will not be making individual phone calls this term to chase up payments and permissions as the process can take multiple hours and are at times very uncomfortable. If you are unsure of payments made or need assistance please contact the office and we will gladly assist.
Already this term our Middle School students have visited the Aquarium and Ricketts Point rock pools and next week we have Prep Swimming and also Senior School excursions to the Old Melbourne Gaol, Museum and Old Courthouse. Your prompt payment and communication are greatly appreciated and valued.

SHAPES, LINES & DOTS Cartooning, Creativity and Wellbeing BOOK for Kids
A cartooning book like no other! Only $20 Shapes, Lines and Dots contains over one hundred fun drawing activities combined with mindfulness exercises to enhance your child’s creativity and wellbeing. Simple step by step drawing instructions help your child create everything from funny shape monsters, to house hold pets and wild animals. The mindfulness exercises at the end of each chapter encourage children to observe the world around them, be present in the moment, and contribute to their own wellbeing while having fun at the same time. For every book sold, $8 will be donated to the Wellbeing Program of Warranwood PS. Please see the flyer later in the newsletter to order your copy.

Mark this date in your diary

Warranwood BBQ AREA Ready for completion
A HUGE thank you to the following families who rallied to help us with the BBQ area last Friday night. Thanks to your efforts we are now ready to go ahead with the asphaltling and restoring of the gathering space. We will be pressure cleaning and repainting the possum to restore it back to its former grandeur!

We hope the following students enjoy their free SLURPEE!

Metcalfe Family

Shane Harrop
Dear Students, Parents and Carers of Warranwood PS,

I wanted to take this opportunity to introduce myself as the new Physical Education teacher for term four at Warranwood PS. It is with great excitement that I come to a school where I have met so many enthusiastic and talented students. Thank you for the warm welcome you have all provided me in class. I look forward to getting to know each and every one of you over the coming term.

A little about me: I am very passionate about living a healthy and active lifestyle. I believe that seeking wisdom and developing all the senses, not just the physical, is essential to educating the whole person. Understanding why you should be physically active and healthy is crucial to providing life-long knowledge and skills. I want to give individuals the opportunity to learn about the benefits of living a healthy and active lifestyle, and to experience the enjoyment they can receive from doing so.

Through my teaching career I have worked in both the Secondary and Primary settings but have relished the opportunity to work in the Primary sector where I can teach and build the Fundamental Movement Skills, Sport Specific Skills and lifelong attitudes and understandings about how to live a long and healthy life.

I hope to bring new and exciting activities for all classes through a Games for Understanding approach. Students will work in small groups, whole groups, and partner and individual activities throughout the term.

When students come to Physical Education (PE) I want them to be able to participate to the best of their ability and this means not being restricted by clothing or footwear. When your child comes to PE it is beneficial for them to be wearing their polo top, shorts for boys and girls or skort/netball skirt and good supporting sneakers/runners that have been tied correctly. This is for the benefit of all students' body development and reducing the risk of injury. If this is an issue with any family please come and see me as I want to provide the best lesson possible for each and every child.

I will keep you updated with all the sporting events throughout the term through notices and the newsletter. I look forward to meeting many of the parents and carers as we move through term four. Please come and see me if you have any questions about Physical Education or Sport or send me an email and I will get back to you as soon as possible. I look forward to working with everyone in the Warranwood community over the coming term.

Kind regards,
Mrs Beck Young
Physical Education and Sport

---

**SRC Crazy Hat Day**

The Senior SRC is holding a crazy hat day on Wednesday 2nd November; after the cup weekend break. Students are asked to donate a gold coin to this very worthwhile organisation.

State Schools' Relief support disadvantage students across the state with essential items that enable them to feel apart of their school community.

Roseanne Parsons
Congratulations to everyone who has taken part in the Challenge this year. A big thanks to the parents who have supported the students with their reading and entered their books onto the website. It is marvellous to see so many enthusiastic readers at Warranwood! Certificates and the online honour roll will be available this term. Keep reading!

Jacquie Durik
Challenge Co-ordinator
Student Wellbeing

‘Mental Health’, let’s change the way we think, feel and talk about it!

‘Mental Health’ should be referred to in the same way we discuss Physical Health, yet you don’t hear people saying ‘they have Physical Health issues’ in the same way we use the term ‘Mental Health Issues’. Whether someone is suffering Physical or Mental Health issues they should be equally empathized with but yet there is still a stigma attached to those struggling mentally. Let’s change it so everyone gets the help they need. One way we can do this is to talk more about being Mentally Healthy. Just as we need to eat well and exercise for a healthy body we need to feed and exercise our brains!

Just as we make time to exercise we can say to kids ‘now let’s do our brain exercises!’ or have you done your brain exercises for the day?’ ‘Now we have fed our body now we need to feed our brain’. Brain exercises such as Mindfulness, Flow Activities, and Practising Positive Thinking and Gratitude grow the Pre-frontal Cortex which is vital for resilience and good mental health.

Below are some great brain exercises. Have you done anything for your mental health today?

Mia Sartori

---

### 10 EXERCISES FOR YOUR PREFRONTAL CORTEX

[www.heartmindonline.org](http://www.heartmindonline.org)

<table>
<thead>
<tr>
<th>Exercise</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Put on your rose coloured glasses. Create a positive future story; optimism is associated with increasing levels of dopamine which engages the brain.</td>
</tr>
<tr>
<td>2</td>
<td>Follow a sleep routine. At the end of the day, choose a pleasant activity that brings your day to a peaceful end. Getting adequate sleep is connected with memory function.</td>
</tr>
<tr>
<td>3</td>
<td>Deny the drama. Avoid getting caught up in gossip, what-if’s and theatrical reactions (other people’s too). Drama fires up the amygdala that gets the prefrontal cortex out of its game.</td>
</tr>
<tr>
<td>4</td>
<td>Move your body. With sports, dance, martial arts, yoga or other active pursuits</td>
</tr>
<tr>
<td>5</td>
<td>Find ways to express your gratitude. Gratitude activates increase positive emotions which then activates the prefrontal cortex.</td>
</tr>
<tr>
<td>6</td>
<td>Offer and receive physical contact. Give and take hugs to literally soothe the brain with calming inhibitory peptides.</td>
</tr>
<tr>
<td>7</td>
<td>Create mnemonics and cartoons to help remember. These skills call on the prefrontal cortex and Executive Functions to access working memory. By integrating jokes, riddles and puns you can also learn to think flexibly by shifting between different meanings and associations of words.</td>
</tr>
<tr>
<td>8</td>
<td>Play! Make-belief play, in particular strengthens Executive Functions.</td>
</tr>
<tr>
<td>9</td>
<td>Be of service and volunteer. The social and mental activity required sends blood rushing to the prefrontal cortex.</td>
</tr>
<tr>
<td>10</td>
<td>Learn to juggle. Learning any new and engaging activity fires off neurons in a positive way. Other activities that require focus and practice such as dancing, circus arts, music, theatre and sports are predicted to significantly strengthen Executive Function.</td>
</tr>

ORDER FORM

Please complete the details below and return it to your school by the indicated date.

Your book will be delivered to school and handed out by the classroom teacher.

Name of Student: ____________________________________________

School: _____________________________________________________

Class: _______________________________________________________

Please return your completed form to school by: **FRIDAY 28TH OCTOBER**

I wish to purchase _____ book(s) at $20 per book

Total amount: ______________

Please debit my credit card:

Card number: ___________ ___________ ___________ ___________ ___________ ___________

Expires: _____ / _____

Name on card: ____________________________________________

Signature: _______________________________________________________________________

Email Address: _________________________________________________________________

Contact Phone: _________________________________________________________________

*If paying by cheque, please make out to MGA Counselling Services Pty Ltd
$8 from each purchase will be refunded to the school.*
Warranwood Primary School is having a WALK TO SCHOOL IN YOUR CRAZY SOCKS DAY on Friday 14 October.

Students are encouraged to walk, ride or scoot to and from school in order to promote healthy travel habits leading to good health for life. October is a great time to start walking, because Victoria’s fabulous spring sunshine makes it a pleasure to get out of the house and the car!

So pull out a pair of CRAZY SOCKS to wear with your runners and school uniform on Friday 14 October and walk, ride or scoot to and from school. Remember to stay safe, use designated crossings and if you are too far away to walk maybe you can drive part of the way, park and walk the rest! Let’s start building our healthy habits for life beginning this spring.

Library News

I have issued overdue notices today.

All Library books are due back in the Library on 01/12/ of every school year.

If your child receives a notice, books that appear on the notice have not been scanned back into the Library.

The books are therefore considered missing!

It is a student’s responsibility to check shelves or ask me for assistance to locate the missing book/s!

I am always happy to assist students with a shelf check.

I would expect a student with help from a classmate or parent to check their tubs and book boxes located in class rooms.

With many thanks
Kim Barlow
Library.
Treating and controlling head lice

While children are at school many families will have contact with head lice. The information contained here will help you treat and control head lice.

Catching head lice
Head lice have been around for many thousands of years. Anyone can get head lice.
Head lice are small, wingless, blood sucking insects. Their colour varies from whitish-brown to reddish-brown. Head lice only survive on humans. If isolated from the host they die very quickly (usually within 24 hours).
People get head lice from direct hair to hair contact with another person who has head lice. This can happen when people play, cuddle or work closely together.
Head lice do not have wings or jumping legs so they cannot fly or jump from head to head. They can only crawl.

Finding head lice
Many lice do not cause an itch, so you have to look carefully to find them.
Head lice are found on the hair itself and move to the scalp to feed. They have six legs which and in a claw and they rarely fall from the head. Nits (also called eggs) are laid within 1.5 cm of the scalp and are firmly attached to the hair. They resemble dandruff but can’t be brushed off.
Lice can crawl and hide. The easiest and most effective way to find them is to follow these steps:

Step 1: Comb any type of hair conditioner on to dry, brushed (not tangled) hair. This stuns the lice and makes it difficult for them to grip the hair or crawl around.
Step 2: Now comb sections of the hair with a fine toothed, head lice comb.
Step 3: Wipe the conditioner from the comb onto a paper towel or tissue.
Step 4: Look on the tissue and on the comb for lice and eggs.
Step 5: Repeat the combing for every part of the head at least four or five times.

If lice or eggs are found, the hair should be treated.
If the person has been treated recently and you only find empty hatched eggs, you may not have to treat, as the empty eggs could be from a previous episode.

Treating head lice
Treating head lice involves removing lice and eggs from the hair. There are two ways you can do this:

1. Buying and using a head lice lotion or shampoo, following the instructions on the product
2. Using the conditioner and comb method (described under ‘finding head lice’) every second day until there have been no live lice found for ten days.

If you choose to use a head lice product, always read and follow the instructions provided with the product carefully. The following points may also be helpful:

- Head lice products must be applied to all parts of the hair and scalp.
- No treatment kills all of the eggs so treatment must involve two applications, seven days apart. The first treatment kills all lice, the second treatment kills the lice that may have hatched from eggs not killed by the first treatment.
- Cover the person’s eyes while the treatment is being applied. A towel is a good way to do this.
- If you are using a lotion, apply the product to dry hair.
- If you are using a shampoo, wet the hair, but use the least amount of water possible.
- Apply the treatment near the scalp, using an ordinary comb to cover the hair from root to tip. Repeat this several times until all the hair is covered.

There is no need to treat the whole family - unless they also have head lice.

Concentrate on the head - there is no need to clean the house or the classroom.

Only the pillowcase requires washing - either wash it in hot water (at least 60°C) or dry it using a clothes dryer on the hot or warm setting.
Testing resistance
Head lice products belong in one of the following categories depending on the active compound they contain:
- pyrethrins
- synthetic pyrethroids (permethrin, bifenthrin)
- organophosphates (malathion or malathion)
- herbal with or without natural (non-chemical) pyrethrins.

Insecticide resistance is common, so you should test if lice are dead. If they are, treat again in seven days using the same product. If the lice are not dead, the treatment has not worked and the lice may be resistant to the product and all products containing the same active compound. Wash off the product and treat as soon as possible using a product containing a different active compound. If the insecticide has worked, the lice will be dead within 20 minutes.

Any head lice product could cause a reaction and should be used with care by women who are pregnant or breastfeeding, children less than 12 months old and people with allergies, asthma or open wounds on the scalp. If you are unsure, please check with your pharmacist or doctor.

Head lice eggs
Head lice eggs are small (the size of a pinhead) and oval. A live egg will ‘pop’ when squashed between fingernails.
Dead eggs have crumpled sides and hatched eggs look like tiny boiled eggs with their tops cut off.

Regulations
According to the Public Health and Wellbeing Regulations 2000, children with head lice can be readmitted to school or children’s service centres after treatment has commenced.

The department recommends a child with head lice can be treated once a week and return to school or children’s service centres the next day, even if there are still some eggs present. There is no need to miss school or child care because of head lice.

Preventing head lice
Check your child’s head regularly with comb and conditioner. There is no research to prove that chemical or herbal therapies can prevent head lice.

Further information
The following websites offer further information:

Head lice comb
Combs with long, rounded stainless steel teeth positioned very close together have been shown to be the most effective, however, any head lice comb can be used.

The life cycle of head lice
Pediculus humanus capitis

1. Egg is laid on hair shaft. Egg is called a nits
2. Louse emerges after six to seven days
3. First moult two days after hatching
4. Second moult five days after hatching
5. Third moult 10 days after hatching
6. Emerging from their third moult as adult lice, the female and slightly smaller male begin to reproduce
7. Female lays first egg one or two days after mating
8. Female can lay approximately three to eight eggs per day for the next 16 days
9. Having lived 32 to 35 days the louse dies

The information in this pamphlet is based on the research conducted and written by Associate Professor Rick Spier and the team of researchers at School of Public Health and Tropical Medicine, James Cook University.

THANK YOU FROM CYRIL

To Parents and Children

A big thanks for your efforts in donating used boots to the project “Going boots and all for the kids of Tiwi”. The boots and runners have now been sent to the Tiwi Islands with the support of AusPost.

I appreciate your support for the children who often play football in bare feet (or sometimes with worn and over used boots). They love their football up there, and it is a massive thing in the community and so to get something like boots and have something for their own is a big thing for kids.

A special thanks to Cam Matthews for organizing the notices and collection of boots.

Cheers

Cyril Rolli
8/10/2016
2016 Canteen News & Roster

Sushi Day is on Tuesday 25th October, order forms are due back by Friday 21st October. Please write your child’s name and grade clearly on the form.

$6- Meal Deals
Please include additional .20c if you would like sauce

~ Meal Deal 1 ~
Hot Dog with
YOUR choice of BIG M Chocolate or Strawberry Milk
Choc Chip Cookie and a Quelch Stick
$6.00

~ Meal Deal 2 ~
2x Homemade Ham & Cheese Mini Quiches with Juice Box
Apple Slinky, Choc Chip Cookie and a Quelch Stick
$6.00

~ Meal Deal 3 ~
Hawaiian or Margarita Pizza with
YOUR Choice of BIG M Chocolate or Strawberry Milk
Choc Chip Cookie and a Quelch Stick
$6.00

We need more volunteers in the canteen.
If you can assist we are always on the lookout for regular volunteers. We require new helpers so please give me a call on 0419 387 370 if you are able assist, or pop in to the canteen to see me to discuss which day suits best. Volunteer hours are: Monday, Tuesday and Thursday 11am to 2.30pm; Friday 10am to 2.30 pm. If you are a new volunteer please come 15 mins prior for an induction. If you are unable to attend canteen on the day you are rostered please contact me in advance on 0419 387 370.

Warm regards
Megan Parker

**Program Update**

Congratulations to Amira on becoming OSHClubber of the week 😊.
Lots of outside play this week enjoying games of Help, Fruit salad, and basketball. We had some beautiful paper plate weaving, finger knitting and some yummy chocolate crackles in cooking club along with some fantastic tower building. Zap and behind the curtain were the favourite games inside. Reminder to book in for curriculum day on Friday 28th Oct. if you need to come we need 15 to run program.

**BOOK AND CANCEL ONLINE TO AVOID AN EXTRA FEE**
To make changes within 24hrs please ring the program directly on 0411 656 031. To guarantee your ASC booking please finalise by 9am on the day of.

All families must be enrolled to attend the program, remember enrolment is free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.
Fun Run
Wednesday 26th October

Our Fun Run is only 2 Weeks Away! We are looking forward to a great day. More information will come home next week.

All students get an opportunity to claim some fantastic prizes!

Chocolate Coin Toss

20 Year Celebrations

Saturday 12th November
4-9pm

Our Committee had a meeting this week and the final preparations are being made.

We enjoy some pretty fantastic support from our school families and appreciate and look forward to your assistance in making this a spectacular event.

Mangoes

Please Make sure that you get your order forms in by Thursday 29th October so that we can place our Mango Order.

Keep a look out for....

Commemorative Tea Towels
WPS 20th Birthday Wine

SAVE THE DATE!!

Fun Run – 26th October
20 Year Celebrations – Saturday 12th November

We send lots of information home to families regarding events and fundraisers that we hold throughout the year. Whilst we understand that sometimes you may feel inundated by all of these items, our aim is to provide a service by offering a variety of ways in which you can contribute. It is not expected that you be involved in everything.

Kellie and Loretta can be contacted on parentsassociation.wps@gmail.com
Warranwood Primary School

Famous Chocolate Block & Lolly Bag Coin Toss

How We Play: Players stand behind a line and throw a coin. Whatever confectionary the coin lands on the player gets to keep 😊.

We would greatly appreciate if you could please donate one or more, family sized blocks of chocolate or bags of confectionary, per child.

All donations are to be put in the tubs in their classrooms.

Please remember, no nuts and make sure that all products are unopened, unused and well within the used by date (after 30th November, 2016).

Chip & Potato Cake Lunch for the class with the biggest Collection

Collection Closes Friday 4th November, 2016

Thank you for your Support !!
During Term 3, every student in Warranwood Primary School did a self-portrait during Visual Art classes. These self-portraits have been turned into a Tea Towel to commemorate Warranwood Primary School’s 20th Birthday.

Make sure you get your Tea Towels before they all go.

$12.00 each.

Any queries, please contact Kellie (0412 507 913) or Loretta (0419 882 503).

Enjoyment Development Participation Teamwork Safe Environment Community

• FUN • FITNESS • SINGING • DANCING • TEAM SPIRIT • GYMNASTICS
• FLEXIBILITY • CONFIDENCE • COORDINATION • PERFORMANCE SKILLS

Do you want to try an exciting sport that incorporates elements of dance, gymnastics, ballet, singing and acting?

Calisthenics is a sport for everyone! It combines the best aspects of sport and the performing arts and can be enjoyed by all ages and abilities. Primarily a team sport, calisthenics teaches its participants about commitment, confidence, teamwork and sportsmanship whilst promoting friendships which last a lifetime.

CALISTHENICS

Maraondah City Council
The Anglican Parish of Croydon Hills & Wonga Park
Invites you to

It’s a once-a-month time of mega-fun with a theme, a talk and light dinner (food allergies taken into account if known).

*It is a chance for the whole family to come together and explore the deeper things in life.*

The next Messy Church is as follows:
Date: Sunday 23rd October 2016 –

**A Storming Good time!!!**

Time: 5:00pm
Cost: *A donation to help cover costs.*
Where: St. James Anglican Church
21-28 Bemboka Road
Croydon Hills VIC 3136

For further details, please contact the Rev. Leroy Coote on 9725-4043.

*Looking forward to seeing you for our storm-based Messy Church!*
