PRINCIPAL’S REPORT
Term 3 is always a busy one! We have House Athletics sports, Middle School camp, Wacky Wednesday, Cultural Diversity Day, the Olympics and more!! So many highlights! I am particularly looking forward to the work we are doing around our Cultural Diversity Day – we have had lots of offers from parents and staff have some great ideas for the day. It will be great fun!

ENROLMENTS
We are missing a few sibling enrolments for prep next year. Please make sure these are sent along so that we can begin our planning for 2017!

GROWN UP GREENOLOGY
Next Wednesday 20 July we will be having our first Grown Up Greenology Day. This is a gardening club for parents, grandparents and anyone else interested! The first job will be to weed our Food Garden. From 9:00 - 12:00!!

ASSISTANT PRINCIPAL REPORT
Welcome back to a wintery Term 3 at Warranwood. I hope you all had a chance to relax and spend some time together doing great family building activities. I’ve heard from students about lots of northern escapes, snow-fields explorations, trips to the movies and even days spent at home making cubbies whilst staying in PJs! I’m sure the holiday has recharged our students’ batteries and they are ready for an exciting term of work looking into Cultural Diversity and the Olympics.

This term our entire school will be sharing a common learning focus exploring cultural diversity called “We Are One But We Are Many.” We will be celebrating the learning with a special Cultural Diversity Day on August 4 with many engaging and creative sessions being offered to the students to trial. More information to come later.

Curriculum Day Monday 10th July
Warranwood staff spent Monday morning working on our whole school approaches to teaching Literacy and Numeracy and throughout the afternoon then teams explored aspects of the new Victorian Curriculum to be introduced next year. Opportunities to work together as a staff and share curriculum insights and understandings are invaluable. They help build collective staff capacity to make learning and teaching at Warranwood more effective.

WORKING BEES
We are having TWO working bees this term, so that the school is looking spick and span for our 20th Birthday Celebrations. Please put these dates aside and come along for a few hours!

Sunday 7 August
Saturday 3 September
Child Wise Personal Safety Program for Children
This program aims to build resilience in children by educating them on their rights and responsibilities and developing strategies which empower them to identify and speak up about their concerns. The overall objective of the program is to ensure children have the knowledge, skills and confidence to prevent them from experiencing harmful relationships.

Later this term staff will be trained in personal safety approaches and strategies for students. These approaches will form part of our greater student wellbeing programs here at Warranwood. Further information be shared closer to the training sessions.

Camp Confidence Program
Last night Middle School students had the opportunity to attend a special camp preparation program with Mia and Mrs Saliba. Students and parents embraced strategies to assist with preparing students for their first camping experience and develop resilience and coping skills to ensure a great experience at camp.

#DIS
Over the holidays Brody from Year 3 volunteered for 8 days to work at the U16 National Junior Basketball Championships, which were held at Kilsyth. During this time he worked across 28 games as a floor wiper. Each day was no less than 8 hours work. Certainly not a glamorous job however he learnt so many life lessons:
- Responsibility
- Being on time for shifts
- Concentration on tasks
- Representing his club and displaying appropriate behaviours
- Seeing through a commitment

He loved every second of his time and never once looked at it as a chore or expected anything back in return. As a result of his commitment and dedication the team took him on as their mascot and recognized his amazing impact on their success. It’s great to be able to share such a story with our community as doing things for others and expecting nothing back is a cornerstone of strong communities. Well done Brody we are all very proud of you!

basketball_vic: Not only did the metro boys win a gold, but they did it with class. Towel boy Brody Anderson was adopted by the team, joining in on warmups, cool downs and was their number one supporter.

Sports News

Rhys and Cooper both ran in the State Cross Country today. Hopefully they completed the course to the best of their abilities. We will hear how they went later. Well done to Teagan who attended a basketball camp during the holidays with the aim of making the State team. On this occasions she was cut from the group. Making the final 64 in the State is fantastic.

ART TELLS THE STORY…

Reflect & Respond
This term in the art room we will have weekly ‘gallery walks and talks’ to examine a variety of artworks that tell Australian’s stories and represent our rich cultural diversity.

Make & Create
Students will experiment with art styles and techniques from different cultures as well as use art to share their own identity.

Community Art
To provide a real purpose for learning and gain meaningful experiences, I am excited to share that all students will have the opportunity to contribute to collaborative artworks for the enjoyment of our wider community at the upcoming Maroondah Festival. The theme for this project is culture and our objective is to create artworks that depict OUR school’s cultural diversity. Students will generate the ideas that will guide this project. Watch this space to follow the project as it develops…

Program Update

Welcome back to Term 3. We hope you all had a fun and relaxing break.
This week we have so far been sharing our holiday stories and welcoming some new families to OSH.
We have been playing foosball, table tennis and making notebooks and other craft.
Next week we will start our theme weeks. The theme for next week is the Olympics. We will be making the Olympic Torch, medals and flags.

As we are once again getting high numbers in Before School and After School Care, could you please make sure that you are booking your child/ren in online or calling before 9am to book? This will allow us to staff accordingly. Thank you 😊

We had an incredibly busy day with our BBQ, Cake Stall and Plant Stall.

Thank you to everyone who donated their time baking goods for our cake stall.

And a huge thank you to the following people for giving up part of their day to assist on our stalls:

With your help we raised just over $3000!

This is a fantastic result, especially given that this was during the school holidays.

We now have our own email address. We can be contacted on parentsassociation.wps@gmail.com
