Assistant Principal Report

Holidays
Term 3 has flown by and it has been a tremendous opportunity for me to represent students, families and staff of our Warranwood community. It has been such a busy time with many events and special experiences taking place. Middle school camp, Junior and Middle School Movie Nights, Senior School Production, Cultural Diversity Day, many excursions and incursions including olympic athlete visits, Sovereign Hill and science shows and of course our tremendous Wacky Wednesday raising nearly $4000 for our library refurbishment.

Well done to all our students on their hard work and efforts with your learning this term, you can be very proud of yourselves. All staff offer a huge thank-you to all our parents and special helpers who have helped in classrooms, on excursions or with special events to bring our community together. Lastly I’d like to offer a huge thanks to our dedicated staff who work tirelessly to ensure students have a wonderfully diverse and enriched schooling experience.

I hope the weather is kind over the holidays and that if you have a break organised you get to enjoy the down time with family and friends. Please stay safe and come back from the break feeling recharged and ready for another BIG term at Warranwood.

Staff Car Park Concerns and Dangers
On several occasions this week I have nearly had a heart attack as students have bolted across the staff car park when parents drop them off and others who are entering and leaving dart in and out of the car park narrowly missing the scampering students. We ask you to please not use the staff car park as a drop off spot or car park as it creates an extremely dangerous dynamic for an accident to occur. We would all be shocked and horrified if a student was hit and injured especially as it could easily be prevented with everyone following expectations. In the first weeks of Term 4 we will have to patrol the car park and remind parents that it is not appropriate to use the car park as a drop off spot. Please pass our request on to help prevent any tragic event from happening.

Child Wise and Safe behaviours
Warranwood Primary has embraced the Child Wise program to help build protective behaviours and understandings children need to be safe when and if unwanted and or uncomfortable situations occur. The understanding of unsafe feelings and using networks of trusted adults will play a significant part in assisting to empower our students.
All Warranwood staff have attended professional learning and we are developing an age appropriate sequence of experiences to support all students as part of our overall wellbeing program.

Thank you to the 13 parents who attended the Safe Practices Evening last night. I trust that you left with further insight on how you can build these conversations and practises into your family to assist their safety into the future.

We will have an electronic copy of the Child Wise booklet available shortly for parents to download.

Amazing Hayden
On Tuesday night I was privileged to attend a special Rotary Club dinner in Croydon and watch Hayden Stark present an insightful and informative speech about addictions. It was tremendous to listen to him discuss many perspectives of why and how people suffer from an addiction but also link the talk back to how the Rotary organisation do great work in supporting people at their greatest time of need. I was very proud to hear him respond to a question about why he chose his topic afterwards and hear him reflect on his learning at school during drug education lessons.

We certainly have a future leader in Hayden!

Basketball Girls Move Forward
A huge congrats to our girls basketball team on beating Ringwood Heights PS in the District final. They played brilliantly to win by a whopping 45 points. The girls certainly play as a finely tuned machine! They will play again next term to see if they can continue to progress.

DIS
Well done to these boys for using their initiative to clean up rubbish that has been left around our yard. It is very pleasing to see students caring about our environment.

Shane Harrop
What a fantastic and entertaining performance it was! Congratulations to the Jacinta O’Leary and the amazing cast, crew, teachers and parents who worked so hard to make the show such a huge success!
