SCHOOL COUNCIL
Our first School Council meeting for the year will be held next Tuesday night. The support of this group of parents and teachers is greatly appreciated. They commit to planning meetings and coordination of events throughout the year. The School Council is responsible for setting direction for the school and ensuring financial probity is upheld, among a range of things.

The role of school Council is to
• Establish the broad direction and vision of the school within the school's community
• Participate in the development and monitoring of the school strategic plan
• Develop, review and update school policies
• Raise funds for school-related purposes
• Approve the annual budget and monitor expenditure
• Maintain the school's grounds and facilities
• Generally stimulate interest in the school in the wider community

Parents are encouraged to talk to School Councillors about anything that fits in with this list. The School Council does not, among other things
• Manage the school
• Represent sectional interests
• Determine class allocations
• Discuss individual issues between teachers and students and/or parents

I will ask School Councillors to direct parents to me if issues regarding school management are brought to their attention. I also ask parents to please approach me directly if you have any concerns or queries about things that are operational.

School Councillors for 2017 are
Michelle Hudson  Michelle Kiernan  Alison Troth
Sarah Mitsilias  Jacqui Durik  Michael Wholohan
Shannon Newman  Loretta Higgins  Carla Thompson
Kirsty Bishop-Fox  Craig Voyer  Dee Chadwick
Shane Harrop  Bridget Kane

I look forward to working with this team throughout the year!
ASSISTANT PRINCIPAL REPORT

What makes a great school community?

I was reading an article from an American journal about the key ingredients which signal a quality school and was interested to see the features that were deemed necessary. At the top of the US rankings were outstanding state of the art equipment and facilities closely followed by reliable support staff and efficient service providers. At the bottom of this list was supportive teachers and administrators and student ownership.

I was confused and perturbed by this ranking and after some consideration have arrived at this point where I’m sharing my thoughts with you. We are lucky to have wonderful support staff and dedicated service providers at Warranwood however the foundation of any great school and community is its people and relationships and the values they share. Over the first two weeks of this year I have discussed, reflected, questioned, observed, learned and supported across all levels of our school. The one constant throughout all the interactions and relationships has been people and quality communication and respectful listening! NOT buildings or equipment!

This was highlighted by our Year 5/6 students jumping in to help when they knew our new Preps needed them to move mulch to make their playground safe. We had no shortage of keen and determined volunteers to move upwards of 10m3 of mulch to ensure the Preppies had their play space up and running. This sense of community and connection to each other is the core ingredient of what makes our school great!

Being invested and having ownership/connection has been statistically proven to increase performance and results for students and indeed successful organisations. The connection, feeling of safety and having a voice are flow on effects from this sense of community and encourage positive risk taking and this is where real learning takes place! As educators we have a mission statement to support our students to take risks and make connections to their learning/ errors and social relationships so that they grow as people.

Although we are lucky at Warranwood to have a really comfortable and aesthetically pleasing environment we are luckier to have the people and relationships to make these physical components come to life and create a safe stimulating and encouraging culture for our students. Over the next few weeks take a moment in the car or at the dinner table to ask your children about what they think makes a great school? Discuss how you might find time to come along to an event or meeting and get to know someone new or different.

The Information Nights held this week were important components of building our culture and community. The shared understandings and relationship building that takes place at these nights supports student progress and builds the home /school partnership. Thank you to all the staff who spent hours on presentations and selection of information to be shared. Also a huge thanks to the parents and carers who even though tired after a long day invested in our community by attending and asking questions and clarifying so that they can be active in their child’s education. Remember no question is ever wrong or silly.

GTKY Interviews

Get to Know You Interviews also form a major role in developing individual approaches to student needs and ensuring the parent and teacher relationship. If you are unable to make an interview please ensure you arrange another time to talk with your child’s teacher to share your wealth of knowledge about how they learn and thrive best. All teachers at Warranwood research student files and consult with previous staff who have taught students to ensure a rounded and informed approach to learning and teaching, however the role you play is vital in your child’s learning journey.

JAPANESE CULTURE CORNER

Japanese Day - 日本の日

On TUESDAY 28TH FEBRUARY we are having a whole school Japanese Day! Students will be encouraged to dress up on the day and will take part in a variety of Japanese activities including; crafts, an incursion and musical performances. Students will also be given a chance to order a special Japanese lunch order on the day. It will be a wonderful way of celebrating the language learning at our school. Please start discussing a costume with your child. Some ideas include; Ninja, Hello Kitty onesie, karate gi, kimono or something red and white to represent the flag. Parents are invited to attend student performances at 9.30am on the running track.

Warranwood Cycling Club. Cyclists can join us on bike track and road riding on Sunday mornings leaving at 8:15am. The distances vary from 40-70kms, with an expected return at about 11:00am. Young riders can begin on the school synthetic track and basketball courts being supervised by a parent and advance to distances of your choice starting from HE Parker Res in Heathmont. Be good to hear from you to get started and add your name to the WhatsApp site to join in on our conversation.
Dear parents,

Japanese Day will be on February 28th this year! It’s only a few weeks away so for all our prep and new families this means it’s time to plan a costume!

Please talk to your child about a Japanese costume they could wear e.g. Karate outfit, ninja costume, Hello Kitty T shirt, Kimono (dressing gown with wide belt) etc... If you are unable to make/find a costume please send your child in red & white colours to represent the Japanese flag.

This is a whole school event that involves craft activities, kendo demonstrations, cooking, traditional Japanese festival events, parade and performances. Each year level will perform 1 item at the end of the day as well as our talented taiko drummers. Special Japanese Day lunch orders can be made through Megan at the canteen. Order forms will be available soon!

If you can help out on the day, or have any queries please see Tanya Barlow- Japanese Teacher
2017 Canteen News & Roster

Program Update

Next week we will be bringing back OSHClubber of the week, so please start your nominations 😊

The new preps are settling in very well at OSHClub and it’s nice to see the older children showing them around and including them in their games. We are very proud of you all and thank you for helping make this transition for the preps much easier.

Please make sure your child has their hats and water bottles when attending and that all items are named. We supply Coles 50SPF sunscreen, but if you want your child to use a specific one, please pop it in your child’s bag.

We look forward to seeing you all very soon 😊
