CULTURAL DIVERSITY DAY
We have had a small response to this request, so here we go again! So far we have African drumming, Middle eastern cooking, belly dancing and Thai cooking! Such a good opportunity to share your heritage with our students!!
We are very excited about organised a special day to coincide with the opening of the Olympics. It will be held on Thursday 4 August, and will involve dressing up (holidays will be a good time to plan these!) and celebrating the great cultural diversity that makes Australia and particularly Melbourne so wonderful! This day will be full of cultural activities – and we would love your help! Do you have a special talent or interest that you would like to share? (Good example – one of our last year’s prep grandparents came in and taught the class Russian dancing!) Talk to your child’s teacher or Tanya Barlow or Jeenah Metcalfe if you would like to assist or be involved!!

CROSS COUNTRY
Congratulations to Sophie, Olivia, Cooper and Rhys for representing our school on Tuesday at the Regional cross country. A great effort against a very tough field. Well done to Rhys and Cooper who received Gold and Bronze medals!!

REPORTS
Your child’s report will be available on Compass tomorrow. If you have forgotten your login/password please contact Brigid at the office – it is great that nearly everyone is now using Compass for attendance notification and excursion approvals. If you have forgotten your login/password you should be able to reset it yourself, however if you are having difficulties please contact the office.
If you don’t understand anything that is in the report, please ask!! Parent/student/teacher interviews are all being held next Tuesday 21 June, from 11:30am or 2:00 for Preps! Students are expected to attend and be part of the conversation – it is about them, and their learning, after all! Interviews should be booked through Compass.

FAREWELL
We will be saying farewell to Sue Timms at Monday morning’s assembly. Sue has had a long career teaching in our state system, so it will be fitting to recognise this contribution on Monday. Many current and ex-students will remember Sue fondly for her passion for English and writing in particular, and for her terrific sense of humour. That humour will be sorely missed by staff as well!

STUDENT CYBERSAFETY FORUM
Yesterday afternoon the Senior School students were lucky to take part in a Cybersafe forum presentation. The presenter Martine Oglethorpe discussed a range of online issues and had students participate in scenarios about cyber safety decisions. We thank Martine for donating her time and expertise to assist our students with their online safety.

The presentation focussed on balancing online time, offensive and or illegal content, unwanted contact, cyberbullying, online gaming, digital reputation, protecting personal information and how to be safe while using various social networks. These messages back up the specific learning sessions students have completed as part of our explicit Cybersafety program and as a response students will now take the next step by becoming the teachers and making their own Cybersafety commercials.

Three-way Conferences - Parent Teacher and Student meetings
This coming Tuesday from 11-30am-8.30pm we will be holding three way conferences across the school. We encourage students to attend to be a part of discussion about learning plans and assist with taking ownership of their learning. Interviews are an important way to build the relationship between home and school and also a wonderful way to celebrate student achievements throughout the semester.

This year as we are starting the interview process earlier in the day we have a very special arrangement in place for students during the afternoon with different learning areas participating in a range of purposeful and fun activities. Students in Years 1/2 and 3/4 will have the chance to win prizes performing in our Warranwood's Got Talent competition. Senior School students will compete in a mini tabloid sports competition and Prep's will have the chance to watch a fairytale to complement their work this term exploring fairytales.

St Kilda Mums Coat Drive

Do you have any **warm winter coats** that your child or children no longer need?

As we head into winter, St Kilda Mums needs help to find 1000 coats for babies and children in need. St Kilda Mums is a non-for-profit organisation run and staffed by volunteers, operating in their own warehouse in St Kilda.

They collect donations ranging from cots, prams and clothes and then clean them to make sure they meet safety requirements. Now that the weather has begun to get chilly, there are many families that are not able to keep their babies and children warm. It would be absolutely fantastic if students can bring in old coats as this will make a massive difference and would be much appreciated by those most in need.

If you are donating a coat can you please ensure the coats are washed and have no rips, holes or bad staining and are ready to be gifted to families in need - _a good guide is to think "would I give this to a friend?"_

The drive will run here at Warranwood from May 31st until the end of term. Coats from sizes 1-10 can be put at the front of your child's classroom which then can be taken down to the office at the end of the drive, ready to be delivered to St Kilda mums the first week of June.

Thank you!

PREP PERFORMING ARTS WORKSHOP!

This week the Prep parents joined in on a Performing Arts lesson with their child! The workshop started with a mini performance from the students and then the parents participated in a number of drama and dance activities with their child. These activities had the parents being roaring dinosaurs, croaking frogs, beautiful butterflies, human play dough and dancing stars just to name a few! Fun was had by all and I'd like to take this opportunity to thank the parents for their enthusiasm and support!
