GRADUATION DATE AND MORE...
The end of the year will be on us all too soon! So, here are some dates to put in your diaries to help you organise the end of year activities:
- Tuesday 25 October – parent cyber safety forum
- Wednesday 26 October – Fun Run
- Friday 28 October – Curriculum Day
- Saturday 12 November – 20th Celebrations
- Wednesday 16 November – Prep performances
- Monday 5 December – Christmas Celebration
- Thursday 15 December – Year 6 Graduation

SEUSSICAL MUSICAL
What a perfect vehicle for film is the primary coloured repetitive work of Dr Seuss! Last night the Middle School students and families were entertained by several different Seuss stories with added music and drama! It is always so good to see students performing in and celebrating their different skills. Thank you to Jacinta O’Leary for her work in putting all this together!

SCHOOL COUNCIL
We had our monthly School Council meeting on Tuesday night. The finance committee has a focus on ensuring the school finances are properly and transparently maintained. Parents association reported on the very successful trivia night and plans for the 20th celebrations. The promotions committee also has done work on the 20th celebration and is looking at ways we can better promote ourselves to local childcare centres and kinders.

BUILDINGS AND GROUNDS committee focussed on working bees and other projects. Education Committee held a forum on the exciting new way we are teaching maths in the Senior School. Sadly only teaching staff turned up!! We also spent some time discussing the requirements for our school to be compliant with the new Child Safe standards. Parents are welcome (and encouraged) to attend all committee meetings. School Council meetings are open to community members as well (on rare occasions they are closed, and items for the agenda must be proposed through the president/principal!!). We strongly value the input of parents in a number of forums.

THIS WEEK’S PRINCIPAL AWARD RECIPIENTS
Junior School - Cara S 1/2P, Cohen C 1/2F, Isabel J 1/2C
Middle School - Campbell S 3/4T, Brody A 3/4T

WORKING BEE
Save the date: we will be having another working bee on Saturday 3 September (yes, Saturday!!) to do more work. The major focus on this day will be to dig out the area near the BBQ in readiness for asphalting!

ASSISTANT PRINCIPAL’S REPORT
It has been a big week at Warranwood with our House Athletics Day and Middle School SeusSical Movies at Readings Cinema! It is great to see so many parents and families at each of the events and reminds us all how schools can be a hub for great community spirit.

The Athletics day was a tremendous success with the sun shining to order and cool breeze to freshen on demand! As usual the enthusiastic students were decked out in house colours and participated fully in an attempt to gain valuable points for their teams. Results will be known after we hold a few field events back here at school over the coming week and place ribbons will be awarded to the house members.

A huge thanks to the teachers, students and of course to all our parent and brother and sister helpers who gave up time to raise the bars at high jump or wave flags and rake sandpits. Your time and effort are truly valued and appreciated by us all.

I was lucky enough to be at the high jump event and enjoyed the chance to witness some amazing athletes better their previous best! Be sure to look at the action shots of our high jumpers clearing the bar!

Parent Survey
Can we ask that you take 5 minutes to complete a small survey about our Education Committee and how we might connect with parents better and help inform our community about teaching and learning at Warranwood PS.

**Year 3/4 Camp**

The Middle School has just completed a very successful adventure camp at Glenmore – the Lady Northcote camp. On behalf of the Middle School team (Anita, Kat, Roseanne, Andrew and Natasha) I would like to thank our parent volunteers who gave up their time to attend the camp.

We are very appreciative of their efforts. The students were all on their best behaviour, gave all the activities a go, made new friends, worked cooperatively as a team and grew as individuals.

Special thanks also go to our student teachers, Alanah, Kate and Scott who also gave up their time, attended the camp and took on responsibilities.

Premier’s Reading Challenge

If your child is enrolled in the Premier’s Reading Challenge, please make sure that you are entering the books read into the Challenge website. This is not done by the school. I ratify the books after you have entered them. It is important to make sure that your child has read enough books from the Challenge List to qualify. This information is on your log in page. It is pleasing that so many students are taking part. Keep reading!

Information Technology News

This week we started surveying our Middle and Senior School students about their experiences with coding. As you may know there are a lot of apps, software and guides that make the complex subject of coding easy to grasp for beginners. Coding is a highly useful skill to learn and teaches vital problem solving, creativity and communication skills. It can also be lots of fun! We are looking forward to introducing a coding club to students in the future. In the meantime you may like to try out some of these popular coding sites:

Book Week 20 - 26 August 2016

Next week we will be celebrating Book Week with activities planned in our Library sessions and literacy blocks.

This year’s theme is: **Australia! Story Country.**
We have been introducing the short-listed books during our Library sessions and next Thursday 25th August each class will be focussing on a chosen Australian author during their literacy block. The teachers will be choosing one of their favourite Australian authors to share with their class and we would like students to bring one of their favourite Australian author’s books to school to share too. (Please ensure that your child’s book is named.)

We are looking forward to sharing and celebrating many talented Australian authors!

‘Friendly Behaviours in Prep – 3’
with Georgina Manning from Wellbeing for Kids.

Thank you to all those who have registered for the Parent Seminar on Thursday 25th August, we have had a great response. I am sure all those attending will gain some valuable insight on how to support and develop their child's social skills. Just a reminder that the seminar will be held at Croydon Hills Primary School, Campaspe Drive, Croydon Hills in the Performing Arts Centre (PAC) at 7pm. The PAC is part of the main school building so if you go to the office and follow the signs you should find it easily. Please make sure you fill in the attendance sheet on the night. If you are still wanting to attend please email me sartori.mia.m@edumail.vic.gov.au

Japan Tour News... 7 weeks to go!!

All students from Years 1-6 have been writing on gum leaves in Japanese this week. We are planning to laminate 300 gum leaves with our students names and drawings on them to share with our Sister School in Japan. Each student at Lily Vale Primary School in Mito will receive a laminated gum leaf made by our students with a picture of an Australian icon!

We are also going to take 1000 paper cranes to the Hiroshima Peace Park in October. Some Middle and Senior school students have been busily folding origami cranes with Sayumi Sensei. If you are good at origami folding and would like to help out please see Tanya.

Beautiful artwork inspired by the stories of Australian history and culture is well underway.

Prep students are exploring and experimenting with a range of media and tools to create scenes from nature such as Bottle Brush, Koalas and Gum trees, whilst the Junior School are creating Ned Kelly scenes and becoming familiar with Sidney Nolan’s artwork.

Middle School students are trying their hand at creating depth in landscapes and using materials to create texture. Stay tuned for more contemporary themes that will emerge in the next few weeks.

Congratulations to Chloe on becoming OSHClubber of the week 😊
This week we have loved watching the Olympics and cheering on the Aussies. We have also been competing in our own Mini Olympics, playing Foosball, Table Tennis, Bowling and Stilt competitions and awarding medals to first, second and third place finishers.
Next week we have planned for lots of science activities which include exploding lunch bags, floating balls and plastic milk.
As we are once again getting high numbers in Before School and After School Care, could you please make sure that you are booking your child/ren in online or calling before 9am to book? This will allow us to staff accordingly. Thank you 😊
