

WARRANTYTE FESTIVAL

The Junior School will again be participating in the Children's Market section of the Warrandyte Festival held over the weekend of March 20-22. Last year we were thrilled to win an environmental award for our African inspired soccer balls as well as make a small profit for our school.

For this year's stall we will create **Recycled Plant Pots (with seed sachets, wooden labels and instructions for planting)**. At the stall, the students will scoop the soil into the plant holders and sell the complete package.

Help in the art room on any of the following days/times would be **GREATLY** appreciated! It doesn't have to be with your child's grade. All adults are welcome to help both in the art room and on the day at the stall (grandparents, family or friends).
