PRINCIPAL REPORT

RESILIENCE PROJECT
As I wrote last week you will have heard from your children about the resilience project. Please see the flyer in this newsletter as well as the one we are sending home for information about the parent night, which is for all parents and will be held in the Senior School building from 7:30-9:00. To support parents to attend we have arranged child-minding as well!

SCHOOL COUNCIL
We had our monthly School Council meeting on Tuesday. Some of our members had attended School Council training recently so we had lots of discussion about School Council processes and responsibilities. We presented the school’s annual report which highlights the successes of 2015. Council also discussed the preparations for our 20th Birthday Celebrations which will culminate in a big celebration on Saturday 12 November. And finally the other major discussion point was the process of appointing a new Assistant Principal, which the Council will be involved in through our School Council President Brenton Stokes.

President – Brenton Stokes
Vice-President – Tania Anderson
Treasurer – Shannon Newman

STAFF DEVELOPMENT
This week we have had two important professional learning opportunities for teachers. We have continues our work with literacy consultant Lisa Keskinen. Lisa worked in Prep – 2 classrooms modelling strategies for teaching writing and presented to the whole staff after school. She will come back next week to do the same, but with a focus on Middle and Senior Schools. We have also been working with expert staff from the Department on effective classroom and behaviour management strategies.

PREP 2017
We are already planning for next year! I am conducting lots of tours with prospective families who will have prep aged children in 2017. Apart from these tours we will have an information night on Wednesday 18 May, followed by an open day and night on Wednesday 25 May, which is of course open to all families. A great opportunity to see the school in action. The evening activities will be launched with the first performance of our 2016 Taiko group!

WELCOMES AND EMBRACES THE RESILIENCE PROJECT

Next Tuesday night from 7.30-9.00pm The Resilience Project team will present to our parent community the main concepts and goals of the work that our Warranwood students will be undertaking over the next few months. The evening will be a great chance to find out about The Resilience Project and how it can help change the way your family views life and in particular challenging and tough times.

We hear constant media reports about mental health and the issues that poor mental health brings to our communities and families. The Resilience Project is about building positive mental health capacities in people and supporting them to live in the now! The evening will be a tremendous resource for anyone with children or adolescents as statistics show 1 in 4 adolescents in Australia are presenting with mental health issues!

To assist our families to attend the evening we have arranged for free child minding on the night in the After School Care building. An appropriate movie will be shown during the session.

Please make the effort to come along and find out about “DIS!”

ANZAC DAY SERVICE

On Wednesday 20th April the Warranwood Year 6 Leaders all participated in an ANZAC service at Ringwood Lake Sound Shell. Twenty student leaders paid their respects in a special RSL service. The Warranwood students laid a wreath at the monument and listened attentively to stories about the fallen. The day is a wonderful opportunity for our leaders to experience the ceremony and take part in a community event as Warranwood Leaders. Thanks To Danielle Rushford for accompanying them!

Acting Assistant Principal

URGENT PLEASE NOTE—COMPASS NEWS

We currently have two excursions online in Compass for Parent Approvals. If you have a child in Prep or Senior School, please log in to Compass and give permission for your child to attend the excursions. This will not only save us all time and money but is environmentally friendly; in addition staff get a more comprehensive handbook to take with them rather and lots of little slips of paper. SO PLEASE BECOME PROACTIVE AND CHECK COMPASS REGULARLY!
Take the “DIS”
If you have heard about “DIS” this week you simply must come along and find out about how you can make a huge impact on how your children see life and the challenges that will face them along the journey.

**TUESDAY**

**THE RESILIENCE PROJECT**

Tuesday night brings a chance to change the way you and your family live life! No matter what you have planned, we encourage you to attend our parent Resilience Project School Presentation.

To support our families to attend we have arranged child-minding in the After School Care Building

from 7.15-9pm FREE OF CHARGE!
Warrandyte Festival
The Junior School students did a fantastic job selling the majority of their fabulous handmade toys and even received the ‘Cleverly Creative’ Award for their efforts!
A big thank you goes to the students and their families who worked on the stall as well as to the many who visited to show their support. Looking forward to doing it all again next year!

Recycled Materials
Thank you for all the wonderful donations in term 1! We have enough cardboard boxes for the moment but are now looking for:

- more bottle caps of all sizes and colours
- plastic supermarket bags
- yarn/wool

Term 2 Projects…
Senior School will hammer hand painted signs into the edible food garden. Can you believe there are more than 50 different plants in there? Look closely at the colours, symbols and pictographs the students have chosen to represent the food’s country of origin. ALSO, students will explore the art of fabric dyeing using the ancient Japanese art of Shibori. SO…WATERPROOF ART SMOCKS WILL BE NEEDED IN WEEK 3 (next week).

LIBRARY NEWS

I have issued an overdue run of school books today. As term one was so short and busy all books due back beginning of term 2. As always please see me if you have any concerns with missing books.

A reminder children may borrow 4 books at any one time. All books have a 4 week borrowing term. The library is open before and after school for returns, queries and browsing.

With the Premiers Reading Challenge beginning this is a reminder that Eastern Regional Libraries (ERL) have over 1600 titles of challenge books.

STUDENT WELLBEING

HEALTHY COPING STRATEGIES IN THE SENIOR SCHOOL

At the end of last term I spent 2 sessions in the Senior School to discuss Healthy Coping Strategies. Coping is the term used for how we ‘deal’ or ‘manage’ the challenges, disappointments, adversities etc in our lives. Developing Healthy Coping Strategies leads to increased resilience and happiness in our lives.

Firstly, your children were able to identify many of the challenges we may face in our lives not only as children but as adults.

We then discussed the difference between healthy and unhealthy strategies. Your children were able to identify many of the unhealthy strategies. The healthy strategies were a bit more of a challenge as many of the responses were ‘just don’t think about it’ ‘ignore it’ etc. It was important for the kids to learn that those responses are not actually strategies and are ‘easier said than done’. A Healthy Coping Strategy specifically is something that actually changes the way you think or feel so it has a physiological response. The kids were thrilled to learn that playing sport or simply exercising is a healthy coping strategy.

‘Why do people choose the unhealthy strategies?’ We then discussed the very important issue of how the unhealthy strategies are often a ‘quick fix’ so they feel immediate relief from their big thoughts and feelings but the long term outcome is detrimental. Usually due to the addictive nature of these strategies such as alcohol (in adults!!), food and video games to name a few.

Secondly, we focused in on the healthy strategies and how your children can benefit from practising and having a range of different strategies. We specifically focused on the 3 key strategies that research says have the strongest wellbeing outcomes which are: 1. Belly Breathing; 2. Positive Self-talk; 3. Asking an adult for help.

They then made a Coping Card which they will keep with them where they feel it will serve them best as a reminder. Please talk to your children about these cards and if possible open up a discussion about how you as a parent cope with things. As a school we will be talking more and more about building resilience.

Please do not hesitate to contact me if you would like any more info regarding this program.

**Program Update**

This week we have been looking at new ways we can set up our room. We received a new bookcase from IKEA to help with storage and organisation which meant that we could move a few things around and have a better layout. We have also received new skipping ropes for group skipping, new balls and a new board game. The children are really enjoying the new additions to our service.

As we are once again getting high numbers in Before School and After School Care, could you please make sure that you are booking your child/ren in online or calling before 9am to book. This will allow us to staff accordingly. Thank you 😊
