PARENT TEACHER INTERVIEWS
Thanks to teachers and parents for their commitment to the development of the home/school partnership. Relationships are the key to the effective management of our school, and to achieving the best from our students.

SCHOOL COUNCIL
Our first School Council meeting for the year will be held next week. The support of this group of parents and teachers is greatly appreciated. They commit to planning meetings and coordination of events throughout the year. The School Council is responsible for setting direction for the school and ensuring financial probity is upheld, among a range of things.

The role of school Council is to
- Establish the broad direction and vision of the school within the school's community
- Participate in the development and monitoring of the school strategic plan
- Develop, review and update school policies
- Develop, review and monitor the Student Engagement Policy and the School Dress Code
- Raise funds for school-related purposes
- Approve the annual budget and monitor expenditure
- Maintain the school's grounds and facilities
- Enter into contracts (e.g. cleaning, construction work)
- Report annually to the school community and to the Department if Education and Training
- Generally stimulate interest in the school in the wider community

Parents are encouraged to talk to School Councillors about anything that fits in with this list. The School Council does NOT, among other things
- Manage the school
- Represent sectional interests
- Determine class allocations
- Discuss individual issues between teachers and students and/or parents
From our Assistant Principal

**Junior Swimming**
The Junior School swimming program starts on Monday March 7 and goes for the week. The program is fantastic as the children receive hour long lessons. The school program provides the opportunity for the students to practise their independence - managing themselves and their belongings. Remember how much fun you had with your friends doing the school program? Any time spent in the water builds skills and it is important to increase water exposure to protect our students.

**Staff Car park**
Please remember that parents are not to use the staff car park at drop off and pick up due to safety concerns. Our students are our number 1 priority. The exception to this, is of course, families needing to use the disabled parking.

**Bikes, Scooters and Skateboards**
Just a reminder that bikes, scooters and skateboards are not to be used within the school grounds, and students **MUST** have helmets.

Office News

If you have a current family health care card please contact the Office to complete a CSEF form. Each eligible child will receive $125.00 from the State Government to go towards camps and excursions. I have contacted families who have been eligible in the past. These forms need to be completed as soon as possible so that you meet the cut off date.

**Immunisation**
We are in the process of updating our immunisation records and if we do not have a copy of your child’s record then you will receive a letter requesting this information. There has been an outbreak of measles in the Brunswick area, and we have received a directive from the Department that if a child has not been immunised and a child at the school contracts measles, then children without full immunisation or recorded immunisation will be **excluded** from school for up to 14 days from the last reported case, as a protection for them and other children.

Any infectious diseases needs to be reported to Gay in the Health Centre or the Admin staff in the office.

A quick way to access your immunisation records is online via the myGov website; it took one of our parents five minutes to print out the immunisation certificates for her children.

Everyone will have a chance to learn the traditional Bon Odori dance. Food stalls showcasing culinary delights from popular Japanese restaurants will line the River Terrace offering a real taste of Japan. The festival’s entertainment will include Taiko drumming, and Japanese traditional song and dance. Games and activities such as origami and yo-yos will offer fun for the whole family to enjoy.
