I was so pleased with the number of people who attended both our Education Week sessions yesterday! Yesterday morning our School Captains were run off their feet showing people around our school. I was so proud of their enthusiasm, not only for the job, but to promote our school, and of their eloquence in doing that. As Chris Turner said “Our School Captains were awesome today walking parents around our school. The way they spoke about programs and facilities at our school was far beyond what I’d expect from 12 year olds, albeit School Captains. They were amazing!”

Wow! So many people came out on a cold miserable night! Our taiko drummers were sensational. The exciting sound of such a talented and disciplined group was a great start to the evening! Although it was a bit hard to get a good view if you were small!! Every room in the school highlighted the great learning and programs we have at the school. All teachers had gone to so much effort to make the session interactive and informative!

We have had a number of concerns raised regarding parking in Wonga Road. At the very busy times before and after school some cars/vans have been parking between the entrance and exit of our car park, making it difficult for cars exiting the car park to see. Probably worth parking a little further away to minimise the danger and be considerate!!

This Sunday!!
From our Assistant Principal...

NEW COMPASS ONLINE EXCURSION PERMISSIONS (and payment of fees!)
All areas of our school will now be communicating information about excursions with families via Compass. This will make accessing information and details about events easier for our community and will reduce the amount of paper we use. Families log onto Compass and press the EXCURSION tab to find all relevant details and then be able to provide permission for attendance. Currently we have the Middle School excursion the MCG and Sports Gallery awaiting approval.

Please make sure that you give approval at least the week before the excursion as this allows staff to prepare, cater for student needs and removes the risk of students being left behind on the day due to permission not being provided. Collating 130-150 permissions is a HUUUUUGE job and ensuring all students are catered for is imperative. Please assist us by having online permissions and payments completed the week before the excursion as chasing up 20-30 families is time consuming and places great stress on everyone especially on the day of the excursion.

To manage this situation we will no longer be able to finalise permissions and payments for excursions on the morning. Teachers need to be with students in class during this busy time and the pressure and distraction create tremendous, unacceptable confusion and stress for everyone. Please take the few minutes to log on and ensure all future excursions are approved and payments or payment plans are arranged before the day of excursions. This will ensure the best experience for all students.

The Canteen NEEDS YOU!
Are you at home during the day? Do you find yourself with nothing to do? Would you like the chance to get together with other parents one day a week and catch up on all the goss? Then we have an opportunity for YOU! Megan our canteen manager is desperate for helpers to assist with lunch orders throughout the week, with a special need on Fridays in particular! She is happy to welcome you for a couple of hours or an entire morning depending upon your availability. If you can help out please drop by and chat to her and take up the opportunity to meet other mums or dads from our community and also find out about the lowdown on school goss!

GRATITUDE
We are grateful to have “DIS” boy in our Senior School! Brodie always shows compassion and empathy for those around him. He displays amazing tolerance and leadership for his peers and teachers and can be relied upon to always do the right thing! He makes others walk taller! #DISBOY

Skyping Japan!
This week in the Japanese room we have been lucky enough to Skype three Warranwood families who are currently on holiday in Japan. Matt D spoke to 3/4AT from the Tokyo Sky Tree, Korin Y took 1/2DS on a tour of his grandmother’s country house and Lacy M spoke to 5/6AD from a shopping arcade in Hiroshima. All students in the classes took turns asking about their experiences and listening to stories shared by the adventurous travellers!

St Kilda Mums Coat Drive

Do you have any warm winter coats that your child or children no longer need?

As we head into winter, St Kilda Mums needs help to find 1000 coats for babies and children in need. St Kilda Mums is a non-for-profit organisation run and staffed by volunteers, operating in their own warehouse in St Kilda.

They collect donations ranging from cots, prams and clothes and then clean them to make sure they meet safety requirements. Now that the weather has begun to get chilly, there are many families that are not able to keep their babies and children warm. It would be absolutely fantastic if students can bring in old coats as this will make a massive difference and would be much appreciated by those most in need.

If you are donating a coat can you please ensure the coats are washed and have no rips, holes or bad staining and are ready to be gifted to families in need - a good guide is to think "would I give this to a friend?"

The drive will run here at Warranwood from May 31st until the end of term. Coats from sizes 1-10 can be put at the front of your child's classroom which then can be taken down to the office at the end of the drive, ready to be delivered to St Kilda mums the first week of June.

Thank you!

Program Update

Congratulations to this Week’s OSHClubber of the week… Cooper N! Our extended newsletter is in the OSHClub room next to the roll!

This week we have been attempting to make the Crystal Snowflakes again. We’ve tried to make bigger snowflakes, but our jars weren’t big enough, so instead we have used old yoghurt containers. This proved to be a failure. So, we will continue to use trial and error until we are successful.

The children have also been very interested in making God’s Eyes, Tissue Paper Flowers and playing Football on the running track.

As we are once again getting high numbers in Before School and After School Care, could you please make sure that you are booking your child/ren in online or calling before 9am to book? This will allow us to staff accordingly. Thank you 😊

On Monday, Bailey learnt how to make a God’s Eye  Tuesday morning saw Finn, Jackson, Eliza and Jack play marbles
