**PRINCIPAL REPORT**

**WELCOME TO TERM 4**

Fourth term is always a roller coaster of busyness! So many things happen as we rush towards Christmas! This week already we have a team at regional athletics, next week there are basketball finals and the Japan Tour. Then we have our Fun Run, a Curriculum Day and more before our 20th birthday celebrations, which are only a few weeks away on November 12th. That is going to be a wonderful celebration – the committee has done a great job preparing for the day! After that? More!!

**JAPAN TOUR**

We had our final joint meeting this week with our Kalinda travel partners. 20 nervous but excited travellers are about to embark on a great experience (make that 24 because the adults are nervous and excited as well!). Each student has been in contact with their host family from Lily Vale Primary School and we are all looking forward to visiting our sister school then going to Kyoto, Hiroshima and Osaka. Please follow our journey on [http://japan2016wwps.blogspot.com.au/](http://japan2016wwps.blogspot.com.au/) You will need a gmail account to access this blog, but it will be worth following. We put up photos and reports each day!

**ASSISTANT PRINCIPAL REPORT**

**WORKING BEE THIS FRIDAY 3.45-5.00pm**

Please make time to come along for an hour and help us get the BBQ area ready for asphalting. Bring a shovel and wheel barrow to help move the last of the soil.

CAR PARK CONCERNS CONTINUING-
In the last week of term I spoke about a close call we experienced in the staff car park with a young student nearly being hit by a car driving through the car park despite requests to not enter.

It is disappointing to report that this has continued this term over the first week and we have even experienced parents using disabled parking places for convenience, leaving families with students with special access needs stranded and upset.

Over the coming weeks we will be doing spot checks on the car park during morning and afternoon drop off times as student safety and access is imperative to us. If you have been using the car park as a drop off or pick up place please make other plans and ensure that our students are safe.

Warranwood Primary School is having a WALK TO SCHOOL IN YOUR CRAZY SOCKS DAY on Friday 14 October.

Students are encouraged to walk, ride or scoot to and from school in order to promote healthy travel habits leading to good health for life. October is a great time to start walking, because Victoria's fabulous spring sunshine makes it a pleasure to get out of the house and the car!

So pull out a pair of CRAZY SOCKS to wear with your runners and school uniform on Friday 14 October and walk, ride or scoot to and from school. Remember to stay safe, use designated crossings and if you are too far away to walk maybe you can drive part of the way, park and walk the rest! Let’s start building our healthy habits for life beginning this spring.
