PRINCIPAL'S REPORT
WACKY WEDNESDAY
Sadly I missed Wacky Wednesday this year as a result of the dreaded flu, however all reports suggest that it was a very successful day. Our students raised a grand total of $3,945 which will go towards new library furniture.

CHITTY CHITTY BANG BANG
What a great night! Once again Jacinta O’Leary has created, along with our talented Senior School students, an entertaining night of song, dance and fun! The superb costumes (mix of borrowed and more work from the very talented Eileen), great choreography, fine singing and acting combined with the sheer enthusiasm of the cast to create a wonderful night’s entertainment!

JAPAN TOUR
Excitement is building for our upcoming tour to Japan! Only 4 weeks to go! Students and parents from both Warranwood and Kalinda are meeting today to look at the itinerary and organisation of our tour. Students were very excited this week to receive details of their host families in Japan! We will be adding lots of photos and information to our facebook page and newsletter, and while we are away we will be skyping back into classrooms most days, and students here at schools will be reading and responding to our tour blog.

LEAVE
I will be on leave next week. The school will be in the very capable hands of Shane Harrop. Shane has now been the official Assistant Principal for one term. I am delighted (but not surprised!) by his professionalism and enthusiasm for ensuring everyone is in the position to do the very best they can, whether it is teaching or learning, or both! Our school is full of such talented, dedicated staff!
ASSISTANT PRINCIPAL REPORT

Good Luck Hayden!
This Tuesday night at the Dorset Hotel, Hayden Stark will be representing our school as the Rotary Club Public Speaking Competition winner. As the district champion he was required to prepare a new 3 minute speech to present at the Rotary Club dinner event. We are sure he will do a tremendous job and wish him all the best and know from his previous witty speech he will entertain the Rotarians at their meeting.

Planning Week
This week has provided teaching teams with the chance to plan units of work for upcoming term 4. The day is a tremendous opportunity for teams to engage in professional conversations and plan engaging units of work for our students. The day also allows for a chance to sort administrative tasks and organise excursions, incursions and team events like graduation, swimming and the big night in just to name a few.

An Hour Of Power!
This Monday afternoon from 3.40-5.00 pm we are calling for volunteers to help with the last of the BBQ area preparation. We need to move the last of the soil base down to the car park area path way and ensure the BBQ area is prepared for asphalting over the holidays. Please come along and help us ensure the BBQ area is resurfaced and improved. Wheel barrows, picks and shovels are needed. See you there! (If it is raining we will have a back up day on Thursday next week!!)

Working Bee
We didn’t quite get the BBQ area finished on Saturday, thus the Hour of Power next week. We did however begin a new path from Wonga Road which should direct students walking to school around rather than through the carpark! Thank you to the following families for their support on Saturday: Stokes, Humphreys, Fox, Spiden, Fitzsimons, Tonkin, Kinnane. And we really appreciated the morning tea provided by Cheryl Butler and Deb Churchward, who is a great friend of our school with Kids Hope and supporting Mia and many of our students.

Warranwood Parent Community Event

HOW TO BUILD PROTECTIVE BEHAVIOURS INTO YOUR FAMILY CONVERSATIONS

On **Wednesday 14th September in the Senior School Building from 6-8pm** we will have a very special presentation from the Child Wise organisation to assist Warranwood families to develop personal safety practices at home for their children. Warranwood staff will undertake and commit to building these approaches as well and will be participating in professional development sessions to investigate essential understandings. These strategies and approaches will be incorporated into class wellbeing sessions and Connect Group learning intentions on an ongoing basis.

This evening is free of charge and will provide a great opportunity for families to consider best practice and strategies for ensuring child safety. This session is not for children as presentations and information will be for adult audiences on the night. I have included some information about the Child Wise program below to assist with background understanding. Please indicate your attendance by returning the booking slip below and to allow us to ensure adequate seating.

**Aim and Approach:**
The **Child Wise Personal Safety Program** aims to build resilience in children by educating them on their rights and responsibilities, and developing strategies which empower them to identify and speak up about concerns. The overall objective of the program is to ensure children have the knowledge, skills and confidence to prevent them from experiencing child abuse. We believe that sustained outcomes come from a three-way approach between children, teachers and parents/carers. As such, the program involves:

- Developing the skills and expertise of teachers and other school-based professionals, through training, coaching, modeling and the provision of teaching materials and lesson plans;
- Ensuring children have access to innovative, accessible learning experiences, delivered by confident, well-equipped teachers and support professionals;
- Raising awareness and increasing knowledge about child abuse prevention amongst parents, and equipping them with the skills to reinforce personal safety messages at home with their children;
- Working with schools to ensure they have effective processes in place for responding to child protection concerns.

**Content:**
Using accessible, age-appropriate materials, the **Child Wise Personal Safety Program** provides a basis for a whole-of-school approach to student wellbeing and safety. Using practical learning tools, the program promotes:

- Safety
- Rights and Responsibilities
- Trusting Intuition
- Problem Solving
- Self Expression
- Developing Supportive Networks
- Assertiveness
- Seeking Help

It **is about prevention** - The Personal Safety Program provides a broad platform for understanding 'safety': the factors which contribute to safety, rights and responsibilities, and the mechanisms for keeping ourselves and others safe. The program provides valuable skills which children can practice in a protective and supportive environment, giving them the ability to apply these skills in situations of risk if they ever need to.

It **is not about Stranger Danger** - Statistics show that the biggest risk of harm to children is not from strangers, but from people they know and often love. Children may also need to rely on a ‘stranger’ if they are in a situation of risk. The program therefore focuses on unsafe behaviours (as opposed to ‘unsafe people’); awareness of ‘early warning signs’ that tell us when we feel unsafe; and exploring ways of responding in potentially unsafe situations, including seeking help from trusted adults.

Please return the booking slip below to ensure your place at this informative evening.

TAIKO performance at assembly- Monday
Next Monday morning we will have three taiko groups performing at assembly! Please come along and see our Cultural Diversity Day Prep- Year 2 drumming team, our Term 3 Middle School drummers and our Year 5 small taiko team. This term we have had more taiko teams than ever before giving more students the chance to try Japanese drumming!

JAPAN TOUR- 32 days to go!
Thank you to all the wonderful parents and students who have helped us fold origami cranes over the last few weeks! We have now reached our goal and will be taking the brightly coloured cranes to the Sadoko monument in the Hiroshima Peace Park. What a beautiful symbol of peace.

Our Japan tour students have now received a photo and letter from their host families and are eager to email them before we arrive. Next time you visit the Japanese room come and have a look! At assembly next week our tour students will introduce themselves in Japanese as this is the first thing they will have to do at our Sister School assembly when we arrive.

Assistant Teacher News
Sayumi Sensei has been staying with the McMahon family this term. She has enjoyed many experiences with them including rowing at the Boat House, visiting the Yarra Valley, boot camp and netball! Thank you to Ella and Kyla for being such wonderful host sisters. Sayumi will be moving to the Dela Cruz family in term 4.

How to support and develop your child’s social skills.

Another one of Georgina’s key messages in the recent seminar was Problem Solving. Read on to learn how it is done and what it achieves.

Help to problem solve instead of giving too much reassurance – by Georgina Manning

- Once you have listened using reflective listening, you can help them to problem solve for the next step. This helps children to learn a lifelong skill and an effective coping strategy for anxiety or worrying.
- Ask them ‘what could you do?’ ‘How do you think you could..?’ ‘I wonder what would happen if you?’
- Help your child to make a plan of what they could do to solve a problem.
- If there is nothing they can specifically do to solve a problem (such as just generally worrying) then using a coping strategy such as finding something fun to do or calming exercise.
- Give lots of positive praise for trying to solve a problem and give them a chance to try out solutions on their own.
- If we step in and solve a problem for them by taking over and doing things for them, we are robbing them of the essential practice needed to develop their emotional resilience. Every time they solve a problem on their own (with guidance from you if needed), their confidence and self-mastery builds. This helps to immunise them against anxiety in the future as they form a belief that they can handle tricky situations on their own.

# Program Update

Congratulations to Judd Walhout on becoming OSHClubber of the week 😊

This week we have been playing heaps of group games. Outside we’ve played long base rounders and footy skills. We have also been playing games inside like Zap, silent ball and UNO attack has been our most favourite pass time. We welcoming spring with some beautiful blossom painting, wrapping our father’s day presents and making cards.

Hannah will be back next week after looking after another program.

Fun Run
Once again, we will have the opportunity of winning numerous prizes with a FUN RUN!

A great time was had by ALL the kids last time and we look forward to again offering the chance for the children to get sponsorship for their run. The more money raised in sponsorship – the better the prize!

Information will be coming home shortly.

20 Year Celebrations
Early next term we will be asking for donations of chocolates and lollies for our Famous Choc Coin Toss.

Again, the class with the most donations will enjoy a hot chip and potato cake lunch!

We really appreciate all the fabulous support from our school families.

Cyril Rioli from the Hawthorn Football Club is encouraging junior footballers to donate their old boots and/or runners to assist the boys and girls playing footy back in the community on Tiwi Island. The majority of youngsters on the Tiwi play in bare feet and all donations will help support these kids playing the game they love.

If any Warranwood Primary students have boots that they will not require next season, we’d kindly ask that you donate in a ‘collection box’ located outside the office.

For further information please contact Cam Matthews on 0419 134 181 or camm@hawthornfc.com.au

GOING BOOTS & ALL FOR THE KIDS OF TIWI

Why not DONATE your old footy boots at the end of this season for the kids in Tiwi Islands who would love to own them!

Please DONATE any old cleaned footy boots by the end of August to the School/Club Office.

THANKS FOR HELPING!!
