PRINCIPAL’S REPORT
SCHOOL NURSE
As I mentioned last week, we have employed a temporary nurse to support school families. Sue Maskelyne has settled in so well this week, meeting lots of students, and getting organised with asthma plans and more! Sue will continue in the position until we appoint a replacement.

SCHOOL COUNCIL
Great to report that we have had several nominations for School Council positions. This means that we should have enough nominations to fill all the vacancies by the end of the week!

SCHOOL FEES AND VOLUNTARY CONTRIBUTIONS
Thank you to everyone who has paid school fees and voluntary contributions. In an environment where school funding is increasingly under pressure we greatly appreciate, and need, the support of families. If the payment of school fees is an issue for your family please do not hesitate to contact me or Brigid if financial assistance is required. Payment plans are easy to work out. We keep our fees to a minimum, however the fees enable us to provide programs for all students, to support your children’s learning in the very best way we can. On the term fees you find a charge for Health and Wellbeing. This replaces the previous school nurse fee, and allows us to make that position flexible.

STUDENT SUPERVISION
Please note that students are supervised at school at all times between the hours of 8.45 am and 3.45 pm. Students should NOT be at school before 8.45, and must be collected/leave the school by 3.45 pm – outside these times supervision and/or the collection of students is the responsibility of parents. Of course traffic and other circumstances may cause you to be late collecting your child – please let us know if you cannot collect your child and we will ensure they are safe! Don’t forget that we have a wonderful before and after school program that can be accessed nearly every day!

CAR PARKING AND DROP OFFS
Please note that the staff car park is not a drop off zone or an appropriate place to park before and after school. When we were out moving tanbark on Friday I was really disappointed and concerned to see a couple of kids running across to cars parked in the car park while other cars were taking off. This is a significant safety issue! I am sorry to say it, but most of the time this is just people being too lazy to get out of the car and walk a short distance to school!
Swimming kicks the year off with a bang!

Congratulations to our students, staff, parents and grandparents for putting on such a terrific Swimming Carnival on Tuesday. The weather was perfect and the Croydon pool a wonderful venue for our annual event. All students looked to be having a tremendous time and the opportunity to belong to House teams and chant and win points for your team was a great bonding experience. The House Swimming Carnival is a fantastic way to start our year and build our Warranwood community from the outset.

What we stand for at Warranwood

TOLERANCE - the ability or willingness to tolerate the existence of opinions or behaviour that one dislikes or disagrees with.

UNDERSTANDING - cooperative or mutually tolerant relations between people; sympathetic awareness; understanding or ability to know how other people are feeling.

The ability to have Tolerance and Understanding is core to a well functioning community. I often feel tolerance without genuine understanding and acceptance means that one feels superior or better to another but will put up with them. This can lead to status or superiority issues that mean someone is lesser or a loser in the eyes of others.

Our Warranwood community is one where we encourage, teach and expect a partnership of tolerance, understanding and acceptance towards differences and in fact support our students to embrace their differences and be their best. The differences in every single classroom across our school means that students will be learning and working on similar learning intentions but doing their learning in very different ways and to different degrees of achievement. Our dedicated teaching staff spend hours each week before and after school hours planning and preparing for how to best meet the needs of the range of students they have in their classes.

We are very, very proud of the work we have completed over the years here at Warranwood to build a wellbeing and values driven approach towards learning and constantly receive feedback from secondary schools about the EQ (Emotional Intelligence) and leadership capabilities of our students when they arrive at high school. It is no surprise that at many of the regional secondary colleges Warranwood students are in positions of leadership and excelling as not only learners but importantly as engaged community members.

As the world can sometimes be a harsh place its reassuring to know that our Warranwood community can be confident in the knowledge that our young people are being prepared to take the ideals and values of tolerance and understanding to the world that they will live. We need our ambassadors of tolerance and understanding and encourage you to have conversations with your children around the dinner table where words such as “hate” are removed with “I don’t understand yet” or “That’s something I’d never thought about.” The power of language and the messages of acceptance and non-judgement can and will make all students safe to be themselves and not afraid to try! What more could we ask!?

GETTING TO KNOW YOU INTERVIEWS
This year our Getting to Know You Interviews will be held on Monday 20th February and Tuesday 21st February. It is essential to make a time to touch base with your child’s teacher and ensure that you share your insights and goals for their learning and success this year. The home school partnership is key factor in determining student success. Please keep an eye out for the link to book your interview spot. The link will be on Compass on Monday 13th February.

Dear parents,

Japanese Day will be on February 28th this year! It’s only a few weeks away so for all our prep and new families this means it’s time to plan a costume!

Please talk to your child about a Japanese costume they could wear e.g. Karate outfit, ninja costume, Hello Kitty T shirt, Kimono (dressing gown with wide belt) etc. If you are unable to make/find a costume please send your child in red & white colours to represent the Japanese flag.

This is a whole school event that involves craft activities, kendo demonstrations, cooking, traditional Japanese festival events, parade and performances. Each year level will perform 1 item at the end of the day as well as our talented taiko drummers. Special Japanese Day lunch orders can be made through Megan at the canteen. Order forms will be available soon!

If you can help out on the day, or have any queries please see Tanya Barlow- Japanese Teacher
2017 Canteen News & Roster

To help celebrate Japanese Day the canteen will be having a SUSHI DAY

When: Tuesday 28th February

Order forms are due back by Thursday 23rd February

A Volunteer request notice for help in the canteen has been sent home. If you would like to help in the canteen this year please fill in the form and return to school ASAP. If you are currently a volunteer can you please fill in the form with your child’s updated details.

Lemon Choc Gelati is no longer available from the supplier. I am currently trying to source an alternative.

Parent’s Association

It was lovely to see those of you who could make it to our Morning Tea and our first meeting for the year. Please feel free to contact us with any ideas or questions.

There are a number of exciting activities and events on our calendar for 2017 and we look forward to your input and participation.

Bulb Drive

Our first fundraiser for the year is a Bulb Drive. Who doesn’t love to brighten up their garden with colourful flowers?

Please look out for the flyer that will come home early next week.

Footy Tipping

How exciting to see the first ever AFL Women’s League! For those of us who miss our footy it has been a fantastic spectacle!

We are again running an AFL Footy Tipping Competition. The season starts at the end of March so keep an eye out for the flyer, coming home soon.

*******************************************************************************

Save the Date!!

Friday 28th February – Bulb orders and payment due

Monday 6th March – Next PA Meeting 7.30pm

*******************************************************************************

We send lots of information home to families regarding events and fundraisers that we hold throughout the year. Whilst we understand that sometimes you may feel inundated by all of these items, our aim is to provide a service by offering a variety of ways in which you can contribute. It is not expected that you be involved in everything.

## Program Update

Welcome Back to a brand new year at OSHClub!

This term we welcome all the new families and the new Preps who are settling in nicely. So far we have been getting back into routines and getting to know the new children. Next week we will start some Valentine’s craft and head outside to play lots of group games. As we will be playing outside a lot this term, please make sure your child has their hats and water bottles when attending and that all items are names. We supply Coles 50SPF sunscreen, but if you want your child to use a specific one, please pop it in your child’s bag.  

We look forward to seeing you all very soon 😊

Safe to school
How to drop off and pick up children safely

What you can do

Supervise children in or near traffic.
The best way for children to learn to be safe on the roads is under your guidance, in real traffic, in everyday situations. Until children are about 10 or 11 years of age they do not have the necessary skills and physical abilities to be safe on their own so providing supervised practice is important.

Walk or cycle to school with your child.
Take the healthy option. If you can’t walk the whole way, consider parking a few streets away and walking the rest of the way. Children under the age of 12 are allowed to ride on footpaths and so can adults riding with them.

Respect the road rules and parking signs.
It is important that parents park legally to provide a safer environment for children.
- Double parking restricts the view of drivers, forces children onto the road and obstructs the flow of traffic.
- Parking within 20 metres before a designated school crossing or 10 metres after is illegal.

Wait on the same side of the road as your child.
- Meet your child at the school gate to avoid your child dashing across the road.
- If picking up your child from the bus stop, wait on the same side as the bus.

If you need to drive to school, get your child into the habit of using the car’s kerbside doors and ensure your child is using a booster seat or correctly adjusted seatbelt.
The safest doors are kerbside doors, away from traffic. For information about Victoria’s child restraint road rules, visit vicroads.vic.gov.au/ChildRestraints

Participate in the development of a safe drop off and pick up strategy for your school.
Raise this issue with your school council and participate in the development of a ‘safe to school’ strategy. Visit vicroads.vic.gov.au/safetoschool for more information.
Obey these signs

**40km/h sign**
All school speed limits across the State are clearly signposted. Look out for the speed signs near schools and slow down to improve safety for children.

**Children crossing**
When the flags are displayed at a children’s crossings, you must stop for pedestrians who are waiting to cross or who have started crossing. You must remain stopped until the crossing is clear. These rules apply even if there is no crossing supervisor.

**No parking**
It is important that you don’t park in any area where this sign is displayed.

**No stopping**
No stopping means you must not stop at the kerb for any reason.

**Bus zone**
Take extra care and be on the lookout near school bus stops as children may be trying to cross the road nearby.

For further information visit vicroads.vic.gov.au/safetoschool
School crossing rules

Stop

How to cross safely
• Always stand behind the yellow line before crossing.
• Never follow the crossing supervisor out on to the crossing.
• Listen for two short blasts on their whistle – that’s how you know it’s safe to cross.
• DO NOT ride bikes, bounce a ball, be silly or run across the crossing. You must WALK QUICKLY and safely.
• Stay inside the lines of the crossing and walk in front of the supervisor - never behind them.
• Always be alert and listen to your crossing supervisor says.
• ALWAYS cross at the crossing when the flags are displayed.

Look

Listen

Think

Before you cross - STOP, LOOK, LISTEN and THINK.
Don’t step on to the road until you’ve checked cars have stopped.
Remember crossings are only active when the flags are displayed.
