Dear Parents

As part of our drug and health education this term we are having the Life Education mobile classroom visit our school from: Tuesday 17th February to Wednesday 25th February.

Life Education has been visiting our school for many years and is always a highlight of the children’s year, and helps to facilitate the development of the life skills in students to prevent and minimise the harm of drug misuse.

Lessons are always age appropriate and the children will be covering a wide range of drug and health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, cybersafety, resilience and social skills. Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the Life Education visit. The sessions are always fun, interactive and really extend and develop the children’s understanding of the topics covered. We will be further broadening these topics in class both prior to and after the Life Education visit with the student workbook which is included in the cost of the visit. It is important that your child attend this session.

As a charity, Life Education relies heavily on the generosity of local organisations to keep its fleet of mobile classrooms on the road delivering positive health and life messages to over 200,000 children in Victoria alone.

The cost for this incursion is $9.00 per child. This will be included in the Term 1 fees.

Please fill out the attached permission slip and return to school by:

Life Education Victoria 2015 Visit Permission Slip

My child/children:

Grade:

☐ Will be attending Life Education
☐ Will not be attending Life Education

Dear Parents

As part of our drug and health education this term we are offering you the opportunity to visit our Life Education mobile classroom, while it’s here at our school.

Have you ever considered the following?
What is my child learning in Life Education?
Have you seen inside the Life Education mobile classroom, or know of Harold?
What drug education is appropriate for primary school students?
Why do we have health and drug education?
How is health and drug education integrated into your school’s curriculum?

Want to know more?
NOW IS YOUR CHANCE.

The Life Education mobile classroom will be at our school:
Tuesday 24th February from 2.30-3.30pm.

Please return the slip to the office if attending.
