

Dear Senior School Parent,  
Please find below the third list of apps for downloading on your child's iPad. A copy will also be added to the school website.

**Video Slimmer \$3.79**

**Description**

Video Slimmer App lets you shrink video files filmed on your iPad to smaller file size while keeping good video quality. With just several taps, you will greatly save the space on the iPad. This video compressor tool makes it possible to easily share, publish and email iOS videos.

**Inigma**

**Free**

**Description**

i-nigma turns the camera into a sophisticated barcode reader. Thanks to exceptionally quick and robust scanning, it is regularly ranked as top performer in this category.

**Chatterpix Kids Free**

**Description**

Chatterpix Kids can make anything talk -- pets, friends, doodles, and more. Simply take any photo, draw a line to make a mouth, and record your voice.

**Ruzzle Free**

**Description**

Ruzzle is a free, fun and fast-paced word game. Challenge friends to find as many words as possible in two minutes. You create words from a given set of letters just by swiping your finger across the screen.

**ScratchWork Free**

**Description**

ScratchWork allows you to take notes and browse the web while having the two side by side to avoid back and forth flipping. It also provides a custom math keyboard.

**MyScriptCalculator Free**

**Description**

With MyScript© Calculator, perform mathematical operations naturally using your handwriting.

**My Times Tables Free**

**Description**

The first 10 Times Tables in a fun and easy way.

**Tools 4 Students \$1.29**

**Description**

Tools 4 Students offers 25 graphic organizers supporting common comprehension skills like main idea and detail, sequencing, compare and contrast etc. Each organizer can be used again and again and be emailed, drop boxed, or saved as a PDF.

Thank you,
