

Junior School Term 4

Wow that went quick!

Can you believe Term 4 is already upon us? It feels like only yesterday we were preparing students for life in Junior School. Term 4 is a great time for reflection of the learning journey that students have undertaken throughout 2018.

Students this term will be exploring traditions and any family traditions they may have. You might like to talk to your child about some traditions you have in your family (for example tomato sauce making day or breakfast in bed on your birthday).

Towards the end of the year we have some exciting celebrations to look forward to. Bridget will be commencing her maternity leave next week and we hope to hear news of a healthy baby boy joining the Warranwood family in December. We also have our famous Christmas pantomime, Big Night In and Twilight Sports to come. A busy finish to what has been another fantastic year in Junior School.

Sunsmart

Our school is a Sunsmart School and hats are required for outside play every day. You are encouraged to send along sunscreen for your child to apply prior to going out to play or lunch.

Upcoming Events

8/10- First Day Back

15/10- Responsible Pet Ownership incursion

30/10- Colour Run and Sundaes Day

6/11- Melbourne Cup Day

15/11- Twilight Athletics

30/11- Junior School Big Day In

3/12- Christmas Pantomime

21/12 Last Day- Party Time! (Finish at 1:30pm)

Welcome Ray!

This term we welcome Ray Brookman to the team. Ray has a wealth of experience and will be taking Bridget's class for the rest of the year.

Get Walking

October is Walk to School month. Students across the state are encouraged to walk, scoot or cycle to school to promote healthy living. Students will have their walks recorded and prizes will be awarded to schools with high participation. So leave the car at home and get moving!

Big Day In

On Friday November 30th we will be having our annual 'Big Day In' at school. The students will begin the day at 8:30am with a breakfast and stay at school after 3:30pm, engaging in a variety of activities. The purpose of this day is to provide a late night experience as a transition for future school camps. Afternoon tea and a light pizza dinner will be provided on the day. (A notice will be sent home closer to the date)

Christmas Craft

Leading into the holiday period students will have the opportunity to complete wonderful craft activities designed and run by each teacher. We're sure these pieces will look brilliant hanging from the Christmas tree or sitting on the mantle.

Keep On Reading

Students are encouraged to keep up the good reading behaviours and routines established over the year. It is important that they continue to build on their reading goals and consolidate their learning by regularly reading at home. Ask your child about what CAFÉ strategy they are currently focusing on to promote their growth.

Healesville Sanctuary

What a fantastic excursion we had to Healesville Sanctuary in Term 3. Students were able to develop their knowledge of Australian animals through hands on experiences and encounters.
