VISION

Warranwood Primary School's vision is to support students to be lifelong learners.

MISSION

Warranwood Primary School's mission is to provide a safe and supportive learning environment for all students that is highly engaging and provides challenging learning opportunities for each child at their point of need. All students need to be supported to make progress along their learning journey, experience success and be supported through the making of mistakes. The development of positive relationships between staff, students and parents is paramount to ensure quality outcomes are achieved for all learners. All children need to feel safe and find learning interesting so they can fully engage and progress at the level they are capable of to reach their full potential.

OBJECTIVE

Warranwood Primary School's objective is to:

- develop students who view and embrace learning as ongoing.
- develop an understanding with our students that learning gives access to opportunities and higher order learning.
- develop students understanding of how they learn and embrace Warranwood's RUIn as a tool to learn for life. (Respect, Understanding and Integrity).

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.
