Principal's Report

Uniform at Warranwood PS

Over the last few weeks we have noticed a deterioration in our uniform standard across the school. Many students are thinking that it is ok to wear multi coloured head bands as headwear and many are wearing different types of jackets, shorts and even shirts at school. At Warranwood we have a uniform policy that has been developed over time with input by students, parents and teachers, and it is important that we look to ensure our students understand that items are not optional. Of course, there can be occasions where an exception is required due to weather and even misplaced items. If this is the case parents are asked to provide a note to excuse the non-uniform item that is required for the day. This is very important to support our standards and respect the current uniform policy in place. I have attached the policy for community awareness and information.

Please remember we have a limited 2nd hand uniform facility at the office and welcome any items to be added to our collection for resale in support of sustainable practices. All money raised from our 2nd hand uniform items go towards supporting disadvantaged students in our community to attend excursions and camps.

PARENT SURVEY

About 6 weeks ago, 125 randomly selected Warranwood families, received a letter asking them to participate in the 2019 Parent Opinion Survey. We wish to thank the parents who have completed this survey over the month of the survey. The survey closed on Sunday the 18th of August. Although no school can claim to be perfect, our community members continue to work really hard together; staff, students and parent groups alike, for better outcomes, resources and opportunities for all students and families at Warranwood PS. These feedback opportunities are important ways in which we can continue to improve. As always, it's important to list areas that you are happy with and engage our children, as well as suggestions the school can look further towards implementing.

What can we do with the survey results?

Our school will utilise the data in a number of ways to:

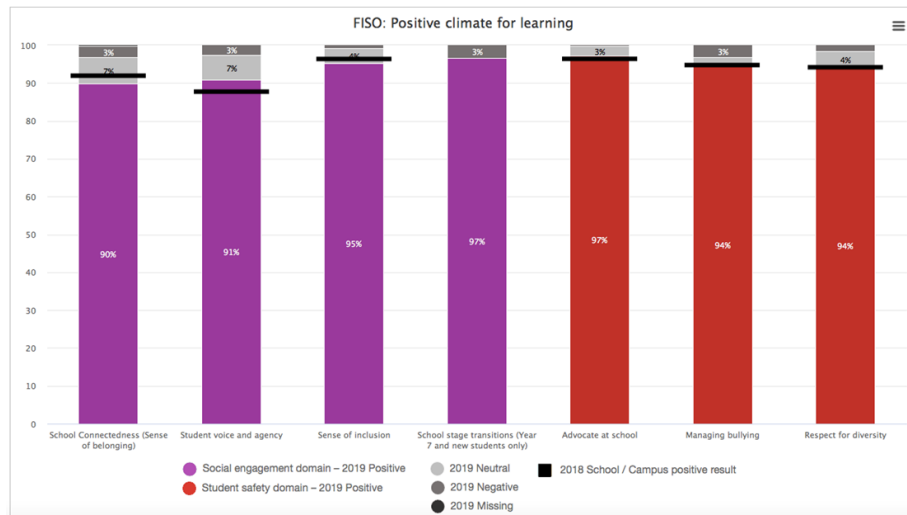

- monitor levels of student engagement and wellbeing
- compare school level data on engagement with state-wide benchmarks
- stimulate discussion within the school community about how to improve our parent engagement
- assist in the identification of areas for improvement and professional development needs in the school.

This year we have only received 30 responses which is just a 24% return rate. Even though this is a very small return rate we will look at this feedback when it is available in the coming weeks and share feedback with you via the Connect newsletter.

2019 Student Attitudes to School Survey

A number of months ago our Year 4-6 students participated in the DET state wide online survey exploring a number of key components exploring the climate for learning at Warranwood PS. The feedback from our students gives us some really positive endorsements for the work we are doing in building a differentiated and engaging learning program whilst supporting students to build their emotional intelligence to succeed in the wider world. These survey areas will be explored further in the coming weeks by our school captains as they unpack the results with students from each grade to seek specific areas for growth and development to continue improving.

This year, for the first time we also have data from our graduates of 2018 who completed the survey at their high schools. The students provided feedback on their support with transition and change. As you can see below, we have some solid consistency across the components in the survey from our students. The work we have been doing this year to build student voice and agency skill and awareness with learning through reflective practices and goal setting will hopefully assist with improving our results in 2020. I look forward to receiving the feedback from our school captain led grade forums to inform our new targets.

PREP ENROLMENTS FOR 2020 ENROL NOW!

Can any families with a prep child for 2020 please drop by the office to collect enrolment forms asap from Sue. We would appreciate enrolment forms being returned asap to assist with our planning and preparations for the Prep classes in 2020. We look forward to welcoming our newest community members at our special transition sessions to be held in Term 4.

FATHERING PROJECT

FATHER'S DAY BREAKFAST

Tomorrow morning from 8am we have a great number of dads and key male figures (nearly 100) booked in to enjoy a bacon and egg roll here at school to celebrate Father's Day. It is essential that only those that have booked through the office attend as this was a pre-ordered event and catering preparation has been completed. If you have booked and not yet paid please make sure you bring the correct amounts to pay on the morning as our enthusiastic dads Scott, Anthony, Chris and Dallas have worked with great dedication to ensure this morning is a success for our community. We look forward to a great gathering!

Connect Groups on Monday- Community Building

Instead of assembly last Monday we held our Connect Groups session and joined a Senior group Year 3-6 with a Junior one Prep -Year 2. The morning saw students bring mini games to play together and widen their networks across our school community. It was very rewarding to see mixed age groups mentoring and playing together, taking turns and being inclusive to ensure everyone enjoyed their time.

Food For Thought

An easy way to reduce plastic wastage is to put sandwiches and snacks straight into a lunch container.

Gladwrap isn't accepted in recycling programs and if you use a good container, it isn't necessary. Containers are easy for school lunches but if you want to wrap you can use beeswax wraps or Agreena silicone wraps <https://www.agreena.world>

Welcome to Warranwood OSHClub

Please ensure all children using our service are enrolled and booked in using the online booking system. For any children with medical conditions, please come down to the room to ensure we have all necessary documents and medication.

Hello everyone! This week we enjoyed a break from the rainy weather and were very eager to get out and about in the sunshine! ☀️

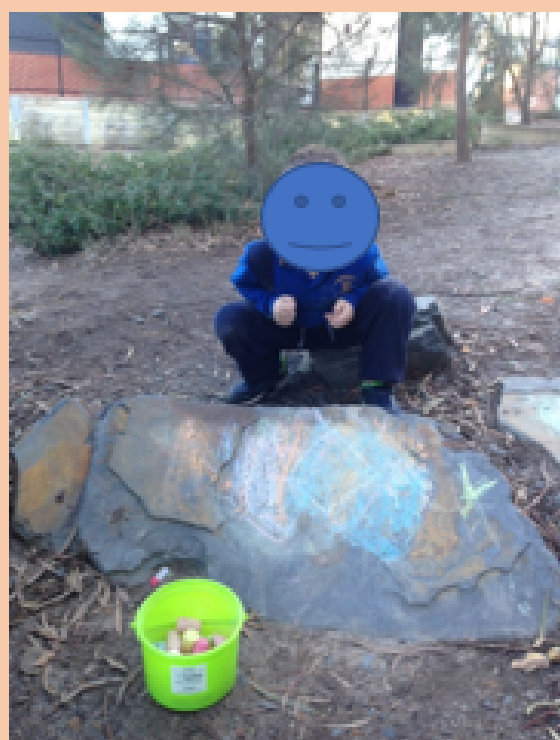

The children busily created colourful murals using chalk to decorate our walkway, undercover area and playground path.

Beading and decorative art has been a popular activity this week with children engaging or solo or collaborating with peers to create some spectacular masterpieces!

On Wednesday afternoon some of the older children hosted a baking activity, assisting the younger children in decorating biscuits, they mixed their own icing and even cleaned up the whole kitchen after, we were very impressed!

While the search is well under way for permanent staff for our wonderful OSHClub, we are doing our very best to source consistent and familiar educators for the room in the meantime. Ella will continue to be here regularly to coordinate the second half of each week; with Ash and Sarah lending their time and skills where possible as well. We understand changes in staffing can be challenging at first, but we are confident in the children's transition so far this term. If you have any questions, concerns or just wish to chat please come in and see us or give us a call! We'd love to hear from you.

Please also ensure you are booking 24 hours ahead to avoid a late booking fee. We have had many children arriving to our service with no bookings made. Due to staffing requirements and ratio's we may not be able to accept children who are not booked in. If you are having issues with booking, please contact our head office accounts team.

Important information

Bookings

Vacation Care bookings must be paid for prior to the commencement of Vacation Care. This is done via iPay. If the requested dates on the Vacation Care booking form (on Council's website) are available, these will be the dates that families will be booked in and charged for.

Late pick up fee

The Vacation Care program finishes each day at 6pm. If a child is not picked up by this time a late fee will be charged, according to the following scale - \$10 for every 10 minutes or part thereof per family.

Cancellations

No refunds or credits given for days that families have booked and no longer require. Payment is required for all booked days whether children attend the program or not.

Children's belongings

Strictly no money or children's toys (including iPods, phones, DS consoles, cameras) are to be brought to the program.

Please clearly label all your child's clothing and belongings.

Clothing

Children must be dressed in clothing appropriate for the weather. In wetter months, please bring a waterproof coat, beanie, umbrella and gum boots. In warmer months, please dress children in 'sun smart' clothing, including covered shoulders and a hat.

Please make sure your child wears appropriate shoes for playing. No thongs or flip-flops.

Please label clothing and personal belongings with your child's name so that it can be easily identified.

Food and drinks

Parents are required to provide nutritious lunches and snacks, such as sandwiches, fruit, cheese sticks, and water. Please send plenty of food for your child to eat.

Please send a refillable drink bottle with water every day.

Please no cans/bottles of soft drink.

Please note that we cannot heat or cook children's snacks or lunches.

Many excursions do not allow us to take wrappers, we strongly encourage families to re-think your child's lunch box and send non-packaged food each day to the program.

Excursions

Children must arrive at the program at least 30 minutes before the stated departure time - this will help us to avoid being late for booked activities. The bus will not wait for those who are late.

If your child will not be attending on an excursion day, please contact the educators at the program before 8.30am to prevent delays in departure.

Please dress appropriately as excursions will run during all weather conditions.

Children are not to bring money on excursions.

When travelling by bus we use Ventura bus lines. All buses are fitted with seat belts.

Educator/child ratio is: 1 educator to every 8 children and for a swimming excursion 1 educator to every 5 children.
