## Principal's Report

### Welcome back to Term 3

Welcome back to a busy and exciting Term 3 at Warranwood Primary. We hope the holiday break was both rewarding and relaxing even though the weather was particularly cold over the break. Our Wacky Wednesday student led market and activity stalls day is fast approaching and our Japanese visitors will soon be with us also to enjoy the excitement and craziness of this wonderful day. Our SRC are meeting currently to decide how the funds will be used at school to support students and their experiences.

Later this term our Middle school students will visit Camp Jungai for 3 days to experience Indigenous culture and sustainability focuses. Thanks to everyone who came along to the camp information session Tuesday night. You may have noticed the works around school with some new and improved fencing being installed around the synthetic surface and also at the front of the school behind the football goals. These improvements are part of our Pick My Project grant funding works. The remaining works are expected to begin in the coming weeks with the synthetic surface area being renovated and returned to perfect condition. We will communicate with you via a Compass post when we have confirmation of the starting dates as some parking restrictions in the bottom car-park will need to be implemented during the expected 2-week construction allocation.

Over the next number of weeks, we will also be hosting some Chinese students across the school on cultural exchange programs. These students are with their families and on summer holiday from their schooling programs so attending Warranwood is an exciting Aussie adventure.

### SPRING FAIR SPONSORSHIP OPPORTUNITIES

We have exciting opportunities for local and school connected businesses to sponsor our Spring Fair this year and help us achieve our goal of renovating the student toilets at school. If your family business or a business, you have connection to can help please contact Shane to discuss how we can work together and benefit each other.

### WORKING BEE- SUNDAY 28<sup>th</sup> July 9-1pm

We have a very important working bee coming up on Sunday 28<sup>th</sup> of July and we would love to see lots of families coming along to help with our projects. You can find a job that suits you on our Sign Up Schedule link below and help improve our students learning environment. Come for an hour or stay for the morning and join in the sausage sizzle at 12.30.

### **ENROL FOR PREP 2020 at Warranwood**

If you have a child who is starting Prep next year please drop by the office and collect enrolment forms as soon as possible to assist us with planning and preparation for the transition process early in Term 4.

If you know someone who has moved into the area, please encourage them to book a tour with Shane or Suzanne and explore our school and Prep program. Enrolments are now open. If you know someone who is looking for 2020 encourage them to give us a try and find out why they should choose Warranwood!

Thanking you in advance.

### **KINDER VISITS for Year 6's**

Over the coming weeks and months our Year 6 students will have a chance to work and connect to our wider community by visiting local kindergartens and supporting the young students in them. This program has been a terrific experience for our students to build relationships and confidence within our wider community. We know they will conduct themselves tremendously and develop many skills and insights into being a great citizen.

## **Assistant Principal Report**

### **ONE PERSON CAN MAKE A DIFFERENCE**

Again I am impressed by the students at our school in their efforts to think of ideas to make a difference to our community for the benefit of others. When I arrived back to school on Monday after our holiday a lovely handwritten letter appeared on my desk, it was from Zoe in 1 /2 C. Zoe and her mum had researched about the benefits of collecting bread tags not only to be recycled but also with the money made by the recycling company, going towards buying wheelchairs for those less fortunate in South Africa. Attached is a link to further information. Yes we are now collecting these tags so send them along and Zoe and her mum will set up a collection box.

Thanks to Zoe and her mum Kylie in an endeavour to support others and help recycle plastics which may have ended up somewhere!!

Please see the link below for flier.

## **WHAT'S HAPPENING IN PE and SPORT, 2019**

### **PE Overview:**

Prep: Warm up. Colonial dance: Damper Stamp. FMS- the kick

Junior School: Colonial dance: The Haymakers Jig. FMS- the kick (stationary, moving ball and football kick).

Middle School: Athletics- running, long jump, triple and hurdles focussing on technique.

Senior School: Athletics- warm up, running, long jump (to measure and photo to show beginning point of standard), hurdles.

House Athletics is on Tuesday 6 August at Proclamation Park for Middle School and Senior School students. District Athletics is Thursday 29 August at Bill Sewart Track, Nunawading.

### **The team House events are displayed outside the gym.**

The plan is for all students to participate in two team events. These events carry double house points and ribbons for each team that successfully finishes.

An \* beside a student's name indicates they may be asked to compete in an older age group due to numbers and gaps in teams will be managed by the House Captains in order for each house to have required numbers. In the past the program does not always allow for team events to be completed at Proclamation Park and are often completed at school during the sport session on Friday afternoon (9<sup>th</sup> Aug)

### **Inter-school sport vs Mullum PS:**

**Soccer:** Last game- WPS 4- MPS 1.

**Netball A:** WPS 8- MPS 3. **Netball Mixed:** WPS 8- MPS 3.

## **Food For Thought**

We are continuing with nude food lunches on Tuesdays and Thursdays, and appreciate that many parents who are supporting our students to be responsible by having wrapper free lunches on those days. It's awesome that some students do this most of the time.

To manage plastic packets from lunches we're going to collect them and have students count how many wrappers are coming into the school. They'll be taken to Coles or Woolworths and put in the RedCycle drop off <https://www.redcycle.net.au/> This plastic is reclaimed and turned into outdoor furniture. While it's better to avoid the plastic if you can, because it's made from a non-renewable resource, if it's going to come into the school, then the students will learn to manage the resource responsibly. Note: You should drop off your soft plastics from home when you shop. More details are here <https://www.redcycle.net.au/where-to-redcycle/>

A big thank you to Julie for making these wonderful "bag collectors". These were made from reclaimed material and elastic from Reverse Art – so technically they were made from waste!

## Find us on Facebook – Friends of WPS

We send lots of information home to families regarding events and fundraisers that we hold throughout the year. Whilst we understand that sometimes you may feel inundated by all of these items, our aim is to provide a service by offering a variety of ways in which you can contribute. It is not expected that you be involved in everything.

### Welcome to Warranwood OSHClub

Please ensure all children using our service are enrolled and booked in using the online booking system. For any children with medical conditions, please come down to the room to ensure we have all necessary documents and medication.

OSH is back for Term 3! How fast the year has flown and with the coming of a new term we see the coming of a few changes to our beloved OSH space. Rachel has taken up an opportunity to teach here at Warranwood Primary School and we wish her the very best on this new adventure. In her absence we are currently undertaking the necessary steps to acquire a permanent replacement Coordinator. In the interim Ella and Mandy will be working together to Coordinate Warranwood OSHClub. We are doing our best to secure familiar relief staff to assist during this time and the children are glad to be seeing familiar faces!

This week the children have been very excited to return to school, see friends and catch up on all the news of the past 2 weeks. In OSH we have been exploring our creative side with paper crafts, puppets and paints. The weather has been very wet and cold; but we have made it outside as best we can to burn off some energy, engage in group games and physical activity.

Parents, please ensure you are booking 24 hours ahead to avoid a late booking fee. We have had many children arriving to our service with no bookings made. Due to staffing requirements and ratio's we may not be able to accept children who are not booked in. If you are having issues with booking, please contact our head office accounts team.
