## Principal's Report

Where did Term 3 go? This term has been a busy whirlwind of camps, productions, excursions, choir performances, late night experiences, Prep 100 Day Celebrations, student entrepreneurial adventures, Taiko, science experiments and so much more. I'd like to say a big thank you to all students, teachers and school community helpers who have made the learning and teaching experiences throughout the term so rewarding. Everything we do is aimed at enabling our students to be their best and feel ready to be open to learning and embracing a growth mindset and work through challenges with persistence.

I hope you all get the chance to wind down a little over the term break and spend some quality time with family and friends. The hubbub of Term 4 and end of year rush to Christmas will soon be upon us all and time will be of a premium!

Over the holidays we will be completing works on our new BBQ area and will be putting the finishing touches to our exciting 2019 Spring Fair. Remember to keep Saturday October 19<sup>th</sup> free and tell your friends about it so we can ensure that our 2019 Spring Fair is the best ever!

### PARENT STUDENT CLASS PLACEMENT INFORMATION

In term 4 we spend considerable time constructing classes for 2020. Students are placed by staff in class groupings best suited to their learning needs. Many factors are considered to create classes that are balanced – academic, social and behavioural factors, along with teachers' knowledge of students. This process is not about placing children with their friends but creating positive learning communities across the school. In fact, evidence clearly suggests students who have wider relational networks make greater gains and experience less anxiety throughout transitional stages of their lives.

The class structure for 2020 will again be Prep (Foundation), Junior School (Year 1/2), Middle School (Year 3/4) and Senior School (Year 5/6). A copy of our Class Formation Policy is attached in the Connect. As per this policy, **if you have information of social or educational significance that you wish to be taken into consideration by teachers as class lists are prepared, please provide that information in writing to Shane-Principal (not class teachers) as soon as possible.** While taken into consideration, **we can of course not guarantee that your request will be met.** I encourage you to read the policy and contact me if you have any queries. Please note that **requests for specific teachers will not be considered.** Classes are structured around the needs of ALL students. Teachers are then matched to classes, considering a range of factors. Teachers also move from one area to another as part of their professional development and because we have different number of classes at each level each year. It is therefore not possible/practical/fair to include into this mix the demands/requests of parents for specific teachers.

Please forward any information to me by Friday 11<sup>th</sup> of October.

### PREP ENROLMENTS FOR 2020 ENROL NOW!

Can any families with a prep child for 2020 please drop by the office to collect enrolment forms asap from Sue. We would appreciate enrolment forms being returned asap to assist with our planning and preparations for the Prep classes in 2020. We look forward to welcoming our newest community members at our special transition sessions to be held in Term 4.

### Spring Fair Sponsors Needed

If you have a family business or you have a great contact, we would love you to join us a sponsor of this year's Spring Fair. For as little as \$250 you can support our school to achieve our goal of refurbishing our student toilets and even claim a tax deduction in the process.

If you are interested, please drop by and speak with me at the office. We will welcome you aboard and promote your business as a Spring Fair partner.

### 2019 Parent Survey Results

This year sadly we only managed 31 responses out of 125 invitations to participate in the survey about how parents feel about our school across a number of key areas. Along with our student attitudes to school and staff satisfaction surveys the parent survey helps by providing us with invaluable insights and reflections about our performance as a whole school. These considerations are important when we construct our 2020 AIP- (Annual Implementation Plan) and will help guide our areas of focus for continual improvement. Interestingly we look to have gained a higher level of satisfaction across most areas or at least scored similarly except for the area of school pride and confidence. We will look to unpack and explore this further in the coming month to see how we might perform better in this category next year.

### Working Bee- Sunday 13<sup>th</sup> October 9am-1pm

Help us spruce up our grounds and have our school sparkling for the Spring Fair! Come along for an hour or two or stay for the morning! We will be mulching, sweeping and clearing up paths and weeding garden beds. Nathan will also need a hand building the raised garden beds for the new BBQ area. Come along and join in our first BBQ in the new outdoor kitchen area!

## Assistant Principal Report

### END OF TERM THANK YOU

Term 3 has come to an end in no time and we have achieved so much with our students' learning and growth in that time. Thank you to all the wonderful staff, students and families in our school community for all of your input into our child/ren's education throughout the term in many ways. I also thank all of the volunteers for their support and assistance in the classrooms and beyond. Have a wonderful break during the holiday time ensuring you rest, recover and take time out from the hectic lives we often lead throughout the term to rejuvenate **you** ready for the final term of the year and all of the excitement that it brings. During holiday time we need to be aware of restricting technology usage therefore I have provided some activities you may wish to organise for your child/ren. Be grateful that we have the time to rest and recover.

- Choose a day from your holiday and write a schedule for the day planning you events.
- Keep a daily diary and write some positive thoughts related to you day.
- If you are going away list the places you visited and what was special about each place.
- Make a collection from the places you visited including tickets, souvenirs and write a short recount about it.
- Draw a map of where you have travelled to including the points of interest.
- Make a photo timeline of your holiday and write a sentence under each photo explaining what you thought of the place, who you were with and what you did?
- Compare the place you are visiting with where you live. What things are different, what things are the same?
- Hold a holiday movie night and invite special friends and family? Make sure you make some popcorn ready for the event.
- Visit your local library and grab a good book to read.

## LOST PROPERTY

Is your child missing a jumper?

The lost property box in the GYM is half full with lost items especially jumpers.

Please check before end of Term for any lost items.

## Food For Thought

Leftovers are a great when it comes to lunches, because all you have to do is pack them!

Here are some dinner ideas that you can pack for lunch the next day

# Seeking Confectionary Donations

Support our famous **COIN TOSS** game at this year's Spring Fair

Dear Parents

We would greatly appreciate it if families could **please donate one or more** family-sized blocks of chocolate or bags of confectionary for our Coin Toss game at this year's Spring Fair.

Please ensure products are unopened and well within their use by date (post November 2019). Please also remember **NO NUTS**.

Place your donations in the tubs provided in your child's classroom between **2nd and 20th September**.

The class with the most donations will receive a **HOT CHIP LUNCH!**

*Thank you for your support.*

**How to play:** Players stand behind a line and throw a gold coin. The player wins the confectionary that the coin lands on!

## Important information

### Bookings

Vacation Care bookings must be paid for prior to the commencement of Vacation Care. This is done via iPay. If the requested dates on the Vacation Care booking form (on Council's website) are available, these will be the dates that families will be booked in and charged for.

### Late pick up fee

The Vacation Care program finishes each day at 6pm. If a child is not picked up by this time a late fee will be charged, according to the following scale - \$10 for every 10 minutes or part thereof per family.

### Cancellations

No refunds or credits given for days that families have booked and no longer require. Payment is required for all booked days whether children attend the program or not.

### Children's belongings

Strictly no money or children's toys (including iPods, phones, DS consoles, cameras) are to be brought to the program.

Please clearly label all your child's clothing and belongings.

### Clothing

Children must be dressed in clothing appropriate for the weather. In wetter months, please bring a waterproof coat, beanie, umbrella and gum boots. In warmer months, please dress children in 'sun smart' clothing, including covered shoulders and a hat.

Please make sure your child wears appropriate shoes for playing. No thongs or flip-flops.

Please label clothing and personal belongings with your child's name so that it can be easily identified.

### Food and drinks

Parents are required to provide nutritious lunches and snacks, such as sandwiches, fruit, cheese sticks, and water. Please send plenty of food for your child to eat.

Please send a refillable drink bottle with water every day.

Please no cans/bottles of soft drink.

Please note that we cannot heat or cook children's snacks or lunches.

Many excursions do not allow us to take wrappers, we strongly encourage families to re-think your child's lunch box and send non-packaged food each day to the program.

### Excursions

Children must arrive at the program at least 30 minutes before the stated departure time - this will help us to avoid being late for booked activities. The bus will not wait for those who are late.

If your child will not be attending on an excursion day, please contact the educators at the program before 8.30am to prevent delays in departure.

Please dress appropriately as excursions will run during all weather conditions.

Children are not to bring money on excursions.

When travelling by bus we use Ventura bus lines. All buses are fitted with seat belts.

Educator/child ratio is: 1 educator to every 8 children and for a swimming excursion 1 educator to every 5 children.

Please make sure your child brings a refillable water bottle and plenty of food with minimal packaging.

### Medication

If a child is to receive medication during the day, parents must complete the Medication Instruction Sheet, and sign the medication in and out with an educator each day.

Medication must be in the original containers with the original labels and the child's name and specific dosage must be clearly visible on the containers. This also applies to any over the counter medication.

### Additional needs children

All children are welcome to participate in our Vacation Care Program. If your child has any additional needs please contact Council's Vacation Care Coordinator on 9294 5739 at least six weeks before the program is due to start to discuss the best ways to support your child.

### Additional days of care

During the holidays you must contact Council's Youth & Children's Services team on 9294 5739 if you wish to book your child in for additional days of care.

### Child Care Subsidy

Child Care Subsidy (CCS) is available to families who have linked their myGov account. Please note that every family will be required to confirm their enrolment on MyGov before each school holiday period. Absences may affect your CCS. For more information, please contact Centrelink on 13 61 50.

## Enrolments

Enrolments for the Vacation Care program must be completed online at: <http://www.maroondah.vic.gov.au/Community-support-services/Children-and-families/SchoolHoliday-programs-primary-school>

For more information, please call Council's Youth and Children's Services team on 9294 5739.
