Dear Parent/Guardian,

Warranwood Primary is looking forward to another great year of teaching and learning and would like to advise you of Warranwood Primary School's voluntary financial contributions for 2024

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. **Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer and the resources we can provide.**

Within our school this support has allowed us to offer a wider offering of subjects and special curriculum experiences; enhanced digital learning opportunities; the upgrade of take-home readers, upgraded art supplies, physical education equipment, LOTE, and Library resources; faster WIFI and internet and the availability of decodable readers for Students who struggle with regular take-home readers.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

School Principal

School Council Principal
