## Principal's Report

### MID YEAR WARRANWOOD STUDENT REPORTING UPDATE

This semester our student report will look a little different than previously. After a series of staff and parent workshops to review feedback and suggestions along with DET requirements we have a new and improved reporting document to share student progress.

The report will be accompanied by a Learning Journey document. This will look a little different at each level) showing student work and reflections and importantly what is next for the student in their learning pathway. This agency and engagement for students in their own learning is very important for students to be active participants in their learning and not be passengers.

The report will have a message from me explaining the reporting process, then a whole page showing all of the Victorian Curriculum Subject Area Progressions for the last 6-month period on the one page to support parents to have a easy view of student progress.

On each subject page you will still see an overview of work covered for the semester for the level and then a series of "I Can" learning statements with a continuum of 5 different achievement indicators for students to be assessed against. On the Generalist report page there will be an overall student attitudes and behaviour continuum with a 4-increment scale to show student learning and behaviour traits.

This year there will be a teacher comment box under each of Generalist, English and Maths to allow teachers to share aspects and traits of student learning achievements to add detail to the "I Can" progressions indicated above.

On the Generalist report page, you will also find a Learning Goals section which will highlight what the student will need to focus on next in their learning to take the next step and share this with parents to support home and school partnerships. This will be an important part of student, parent and teacher conference conversations.

Specialist reports will include a subject learning overview for the semester and also a separate attitudes and behaviour profile and also a series of "I Can" statements to show student progress against the continua of 5 achievement levels.

We trust that this upgraded reporting format provides families with an improved and more transparent easy to engage with report to assist with our student reporting and assist with messages for what is needed next in student growth.

Student parent and teacher 3-way conferences will be held in the last week of term on the Wednesday afternoon /evening of 22 June and Thursday afternoon of 23<sup>rd</sup> June. The conferences will be held online via Webex to assist our community with health protocols, supporting staffing of classes and supporting access to parents/ carers being able to attend easily. The booking system will be shared via Compass next week and teacher meeting room links will be shared. Please note that reports will be available to families via Compass on the Monday 20<sup>th</sup> June this year. This is to allow teachers and students a few more valuable days for assessment and reporting practices to be implemented and completed with the significant absences over the last month impacting student and staff attendances.

### **Good Luck and best wishes to Danielle and Trent with their new little family**

Warranwood will be wishing Danielle all the very best next week for her exciting journey ahead as she heads off to extend her little family with Trent to welcome their first baby in a few week's time. It is a very exciting time for them both and Danielle will be greatly missed by her class, colleagues, and community. We look forward to hearing and seeing all about the newest little Marshall family member. Good luck and health Danielle from all of us at Warranwood.

We plan to announce Danielle's replacement on Tuesday next week to the families of the class initially. Danielle will be working alongside the new teacher for the week to assist with a hand over and support a smooth transition. Thanks to the families in 3/4M for their calm and trust as this process of transition in the current employment climate has been challenging and we have been working very hard to find best fit candidates to apply to work with your child in the second half of the year.

### **IMPORTANT DATE TO NOTE**

**TERM 3- Monday 11 July- Student Free Curriculum Day-**

### **WARRANWOOD SCHOOL REVIEW TERM 3 2022**

**Staff Focus on the day will be- School Strategic Review reflection and evaluation.**

As mentioned earlier in the year our school is participating in our Strategic School Review process this year as it has been 4 years since our last process in 2018. This process allows us to evaluate our performance over the four years against our 3 goals listed below and then reset and re-aim for the next 4 years with new goals, targets, and strategies to move us forward as a learning community.

This process will include staff, students, parents and external DET appointees to conduct our review throughout Term 3. We will be holding parent feedback forums, students feedback workshops and participating in 3 intensive days of work with an expert review panel consisting of 2 principals from other schools, school councillors a lead reviewer and our school staff and leadership team. This process is a great opportunity for our school to evaluate and re-establish our next 4-year goals to best meet the needs of our community and improve our practice and performance as a learning community.

We will have the dates and times of the forums and workshops- both online and in person, for community to participate in the process in the coming weeks and look forward to the opportunity to continue to grow and improve our practice and performance in meeting our student needs.

### **School Strategic Plan 2018-2022 Targets and Goals**

#### **GOAL 1**

To improve the growth and achievement for all students in literacy and numeracy.

#### **Key Improvement Strategy 1a**

Review and refine documented curriculum plans, assessment, and shared pedagogical approaches.

FISO Dimension- Curriculum Planning and Assessment

#### **Key Improvement Strategy 1b**

Build the capability of the school leadership team to lead and develop a culture of continuous improvement.

FISO Dimension- Building Leadership Teams

#### **Key Improvement Strategy 1c**

Build teacher capability to utilise data and a range of assessment strategies to teach to a student's point of need learning.

FISO Dimension- Evaluating Impact on Learning

#### **GOAL 2**

To engage students in their learning through voice and agency.

**Key Improvement Strategy 2a**

Develop teacher, student and community understanding of learner voice and agency.  
FISO Dimension-Empowering students and building School Pride

**Key Improvement Strategy 2b**

Develop teacher capacity to develop skill and competencies to enable students to become self-regulated learners.  
FISO Dimension- Intellectual engagement and self-awareness

**GOAL 3**

Strengthen the health and wellbeing of all staff and students.

**Key Improvement Strategy 3a**

Implement a positive education culture throughout the school community.

FISO dimension-Setting expectations and promoting inclusion

**Key Improvement Strategy 3b**

Review and strengthen community relationships and communication.  
FISO dimension- Building Communities

**Key Improvement Strategy 3c**

Develop parents and carers as partners through supporting and connecting families to services and networks.  
FISO Dimension-Parents and Carers as partners

**PREP and STUDENT ENROLMENTS FOR 2023 ENROL NOW!**

Families with a prep child in 2023 are invited to please contact the office to book a personal tour with Shane and collect enrolment forms. If you know of a neighbour or friend, we would love you to recommend us to them and encourage them to book a personal tour to find out, **WHY WARRANWOOD IS A GREAT FIT FOR THEIR CHILD.**

**Working Bee Sunday 19<sup>th</sup> June 9am-1pm**

Our Term 2 working bee will take place on Sunday 19th June. Our main project will be to plant out the boundary fence line garden beds along Wonga Rd and finish off the paving border brick works around the school. We will have several smaller tasks to take on also if we can cover these main tasks. We look forward to seeing you on the morning and we will of course have the World famous Warranwood Working Bee BBQ fired up for 12.30pm. Sign up using the link below.  
<https://signupschedule.com/warranwoodps>

**Warranwood Primary School Community Sponsors  
2022 Spring Fair**

We would love to talk with any family owned businesses or companies who might be able to join us as a Spring Fair sponsor for 2022. Please contact me at the office if you are able to partner with us or have a lead on someone who might be able to support our major community event in 2022.

**Shane Harrop**  
**Principal**

**Assistant Principal's Report****ON A SCALE OF 1-10, HOW WOULD YOU RATE YOUR DAY!!**

In my mind a "1" would be defined as an ultimate low, where things could not possibly get worse. On the other hand, I would imagine a "10" being the ultimate perfect day, where nothing goes wrong, there are no regrets and no limitations.

If you think about it, very rarely do we rate our day as 10/10, a perfect day but that's okay as we need to be aware that not everything goes our way and goes to plan. If we aim for a score above 5 and we achieve it we are going pretty well. We need to remind our children that our days are not always perfect but we can reflect on what we can do to make things better for tomorrow.

Let's have a look at the factors that can influence your child's day created by the classroom teacher in order to provide a positive experience each and every day.

- The teacher greeting each student at the start of the day with a smile and a warm welcome. **Relationships first, school work second.**
- Being consistent with their expectations for each of their students and explaining work for the day. **Consistency.**
- Your child feels safe, risk taking is encouraged, there is open authentic conversation, trust, respect, understanding and integrity are fostered and positive interactions is the norm. Celebrate "I don't know", "I'm not sure", "I'm confused" statements demonstrate they are learning. **Ruin school values/Classroom Community.**
- Assisting students to self- regulate and manage their emotions. **Emotional Regulation.**
- Recognising and reinforcing positive behaviours. **Classroom Norms reinforced.**
- Teaching students how to communicate and interact with each other in a positive manner. **Utilising Character Strengths.**
- Facilitating conversations with friends in order to develop harmonious relationships.
- **URStrong: Friendology program.**
- Create a successful learning environment catering for individual differences and students knowing how to ask for help. **Goal setting.**

There are many factors that can alter the tone of the day for your child despite the teachers' best endeavours. Please talk with your child helping them to understand not many days are a perfect 10 but we learn so much more from our not so perfect days.

**Suzanne Kot**  
Assistant Principal

## Lost Property

**Is your child missing their school jumper, please check the lost property bin in the foyer of the Gym, it may be hiding there hoping to make its way home.**

## Sporting News

The sporting year rolls on, and our Cross-Country team continues to make headlines across Warranwood. Yesterday we had some of our athletes compete in the Divisional championships at Yarra Glen racetrack.

As the rain bucketed down our athletes gritted their teeth and wanted to be the next Warranwood superstar. All performed admirably as they toughed their way through the unfavourable conditions. When the dust settled Brandon L, Zac C, Riley K and Tahli R all qualified for the Regional championships. Felicity B and Hayley F were selected as emergencies and are ready to be called upon should they be required.

Our Senior School sport teams continue to push themselves in competition with a major highlight occurring last week. Ryen "The Special One" Niven-Tait has been able to coach, lead and mentor our Volleybouncers team to their first victory of the year. Much like a great camping trip the action was in-tents (intense) and the three set epic was decided with some brilliant team play which has been a highlight of Warranwood Sport throughout 2022.

We are continuing the team building theme in PE this fortnight with some team building challenges. Check out some of the Extreme Ladder Trust Falls the Middle School students have been completing. Not for the faint hearted and lots of leadership and integrity shown by all.

**Yours in Sport**  
**Dylan Sendekyj**

## Canteen News & Roster

### Over the Counter Winter Warmers:

**Chicken Noodle soup** \$1.20 per cup      **Warm homemade choc chip muffins** \$1.00 each  
**Warm Milos** \$1.50 per cup

**Homemade Pumpkin Soup, with a buttered wholemeal role** is also available to order through Qkr for \$5.00.

Checkout some of our homemade goodies that we have on our canteen menu, all made fresh in the canteen

# Community Notices

## COMMUNITY DONATIONS

If you shop at either of these Stores, then mention our School as they support us with donations.

For Ritchie's IGA you need to complete a registration and nominate Warranwood Primary; Ritchie's then donate a percentage of sales to the School.

For Rebel Sports, soon to merge with Amart, just mention Warranwood Primary and they also donate a percentage of sales to the School

## MINI MAGICIANS SKILLS CAMP COME AND TRY BASKETBALL

**6 Week Development Program  
for 5 to 8 Year Olds**

### DEVELOPMENT SESSIONS

We will be teaching dribbling, shooting, passing, footwork and general game play concepts as well as having FUN!

**WE WELCOME GIRLS AND BOYS OF ALL SKILL LEVELS.**

Sessions are run by experienced coaches and the aim is to prepare the kids to join a basketball team when they're ready

GET  
READY  
FOR THE  
REAL  
THING!

**GET A FREE
